Nearby are beautiful valleys, peaceful knolls, vistas and canopied pathways, all of which becken your company and offer a treasure chest of relaxation and inspiration.

This neighborhood trail has been constructed by the East Bay Conservation Corps and the Lafayette Public Works Department to provide easy access to the scenic Lafayette Reservoir Rim Trail. We encourage you, your family and friends to enjoy your neighborhood trail and to explore the areas beyond by hiking the regional network of trails; all of which are available to you without the use of a car.

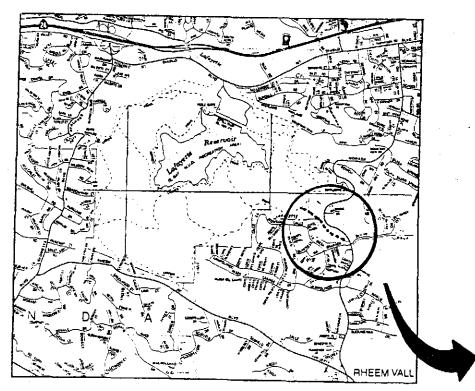

The entrance from Moraga Road is just south of the intersection of Moraga Road and Via Granada. The trail follows the beautiful hillside contours beneath oaks and bay laurels. The route is gentle up and down until approximately the last tenth of a mile when it turns west and climbs to the hill via several stepped switch backs. Passing through the gate one enters E.B.M.D. watershed lands rising gradually to the magnificient views from the Reservoir Rim trail.
