

## Don't Add to the Congestion Mess- Park and Carpool during a BART Strike

There is a realistic chance of a BART strike, as early as October 11, 2013. Commuters who depend on BART should make alternative arrangements as soon as possible. [511.org](http://511.org) provides a variety of additional commute options to help during (and after) the strike.

The first option you should consider is carpooling. With the [511 RideMatch Service](http://511.org) you can easily join a carpool that is traveling in your direction or start a new one. For easy carpool pick-up locations, there are more than 150 conveniently-located [Park & Ride](http://511.org) lots in the Bay Area. [Click here](#) to find the lot nearest you. For additional assistance visit [511.org](http://511.org) or call 511 and say "Rideshare" to speak to a Rideshare operator Monday through Friday, 8:00 am - 6:00 pm. We encourage you to tell co-workers, neighbors and friends about carpooling. If you have space in your carpool, offer them a ride or tell them about the [511 RideMatch Service](http://511.org).

BART's parking lots in Lafayette will be open and available for free public parking if there are no trains running due to a strike. There is an existing casual carpool waiting area on the south side of Deer Hill Road between Oak Hill Road and N. Thompson Road. County Connection will be temporarily relocating its bus stop at the Lafayette BART Station to Deer Hill Road in front of the station between Happy Valley Road and N. Thompson Rd. Here are some other places where you can park your car and carpool in Lafayette; but *please, always be sure to abide by any existing parking regulations*:
