NOTICE OF ROAD CLOSURE

July 16, 2013

Subject: Buckeye Ct., Mars Ct., Maryola Ct., & Manzana Place - Road Reconstruction, Project Number 014-9694

Dear Residents:

Bay Cities Paving & Grading will be starting the roadway reconstruction and paving phase of work next week on Buckeye Ct., Mars Ct., Maryola Ct., & Manzana Place. During this phase of work the street will be closed to vehicles, and parking on the shoulder of the road will be prohibited from 8:00 am until 5:00 pm. If you wish to have access to your vehicle during the road closure hours you may park on surrounding streets in any legal parking space and walk to and from your property. Please note that emergency vehicles will be provided access at all times.

The contractor's schedule calls for the following Road Closure dates:

Buckeye Ct. & Mars Ct.

- Monday, July 22
- Wednesday, July 24 through Friday, July 26
- Wednesday, July 31

Maryola Ct. & Manzana Place

- Monday, July 22 through Thursday, July 25
- Tuesday, July 30

Changes in the closure dates will be posted on or near the project information sign at the entrance to your street. In addition, weekly updates for the project schedule will be posted on the City's web site at <http://www.ci.lafayette.ca.us> (select "Public Works & Construction" under the quick links; then select "Capital Improvements Projects"; then select the 2013 Road & Drain Project, Project Number 014-9694; and lastly select Weekly Project Update).

The City and the contractor are anxious to complete this project with minimum delay and inconvenience to you. While the work is in progress, please lend us your cooperation and extra patience and be alert to equipment, workers, and traffic control.

During construction, questions regarding the work may be directed to Tom Warner, Project Manager for Bay Cities Paving & Grading at 925-687-6666. I may be reached at (925) 284-1951. Again, your patience and cooperation are very much appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Farzaneh Sanders", written over a horizontal line.
