

Project Update

2013 Road & Drain Improvements Project

Date: 09/06/13

This week, the Contractor completed striping on various streets and substantially completed the work on the entire project. During next week they will be working on the few remaining punch list items.

This will be the last Project Update posted for this project. At this time I would like to take this opportunity to thank you for all your cooperation and patience during the construction.

If you have any questions or concerns, I may be reached at (925) 284-1951.
