Re: Priority Development Area Revision

Dear Ms Srivatsa,

I am writing to confirm that the Placetype for the Downtown Lafayette Priority Development Area has been revised from *Transit Town Center* to *Transit Neighborhood* as you requested. This is a minor change that better reflects Downtown Lafayette's character. Given the pending adoption of Plan Bay Area in July, this will not affect the amount of growth allocated to Lafayette for this first Plan Bay Area cycle. Also note that references to this revision on our website and other documentation will not occur until we complete global updates to our website and other materials in Fall 2013, after Plan Bay Area is adopted.

We greatly appreciate your participation in this effort to tackle the region's shared challenges through a collaborative planning strategy for development and conservation.

Regards,
