Invites You to a Reception for Its
Newest Exhibit

Student Art from Afghanistan

Afghanistan is a country with deep roots in art and culture. Though many beautiful treasures have been destroyed by war and political strife, Afghan children continue to create art and imagine a world of peace. This exhibit highlights drawings created by students taking classes funded by Trust in Education, a non-profit organization dedicated to helping Afghans educate their children and rebuild their lives.

Date: Tuesday, November 12, 2013

Where: Lafayette Library and Learning
Center, Library Gallery

Time: 6:00 p.m.—7:00 p.m.
