

# Organic Food Direct to You

Ever wonder about the easiest way to get fresh, local, organic food?

Come to a presentation at the Lafayette Library on **Thursday, April 10**, to learn about ways local organic farmers are delivering their delicious wares to folks in Lamorinda.

Sustainable Lafayette is hosting a display, presentation, and movie. Find out your produce options, and meet with current customers who enjoy their fresh weekly produce boxes.

Then you can stay to see the 50-minute movie *Grow*, which takes a look at “a new generation of sustainable farmers through the eyes, hearts, and minds of 20 passionate, idealistic, and independent young growers.”

**7 pm, Thursday, April 10**  
**Lafayette Library**  
**Arts and Science Discovery Room**

Light refreshments will be provided.
