

# Olympic Boulevard and Reliez Station Road Corridor (Pleasant Hill Road - Glenside Drive N.) Traffic Study Community Engagement Process

## OVERVIEW

The City of Lafayette is conducting a traffic study along the Olympic Boulevard and Reliez Station Road corridor between Pleasant Hill Road and Glenside Drive N. With your assistance, the study will identify traffic problems & concerns along the corridor and explore solution options to address them.

As a starting point, this study will address the concerns shown in the study area map.

The City's community engagement process includes:

**Initial Opinion Survey:** Gather information from you and others in the community to identify key concerns about the corridor.

**Community Walks:** Traffic study team members walk the study corridor with you and others in the community to gather your feedback on traffic issues.

**Community Meetings:** Present study data to you and solicit your input to identify areas of concern and gather feedback regarding solution options.

To share your opinion and take a brief survey, please visit <https://www.surveymonkey.com/s/H5Z6NCY>  
Please complete survey by June 16, 2014
