NOTICE OF ROAD CLOSURE

July 14, 2014

Subject: City of Lafayette 2014 Road Rehabilitation Project, Project Number 014-9698

Dear Residents:

Argonaut Constructors will be starting the roadway reconstruction and paving phase of work starting Monday, July 21, 2014 on Black Hawk Road, Black Hawk Court, Meadowlark Court, and Eagle Point Road. During this phase of work the street will be closed between 8:30 a.m. and 4:30 p.m., and parking on the shoulder of the road will be prohibited from 8:00 am. to 5:00 pm. You may park outside the closure on surrounding streets in any legal parking space to have access to your vehicle during the road closure hours. If the contractor allows vehicle traffic into or out of the closure it will be at their discretion and dependent on the construction activity and safety of the access. Please note that emergency vehicles will be provided access at all times.

The contractor's schedule calls for the following road closure dates:

Black Hawk Road, Black Hawk Court, Meadowlark Court, and Eagle Point Road

Monday, July 21st – Friday, July 25th – Pulverize, grade, & cement treat the roadway

Tuesday, July 29 & Wednesday, July 30th - Paving the base lift

Changes in the work dates will be posted on or near the project information sign at the entrance to your street. In addition, weekly updates for the project schedule will be posted on the City's web site at <http://www.ci.lafayette.ca.us> select "Public Works & Construction" in the quick links section of the home page; then select the link for this project under "City Construction Projects," then select the 2014 Road Rehabilitation Project, Project Number 014-9698.

The city and the contractor are anxious to complete this project with minimum delay and inconvenience to you. While the work is in progress, please lend us your cooperation and extra patience and be alert to equipment, workers, and traffic control.

During the construction, questions regarding the work may be directed to Jason Balatti, Project Manager for Argonaut Constructors at (707) 542-4862, or Argonaut Constructor's Site Foreman, Mike Parmeter. I may be reached at (925) 284-1951. Again, your patience and cooperation are very much appreciated.

Sincerely,
