NOTICE OF ROAD CLOSURE

City of Lafayette 2014 Road Rehabilitation Project, Project Number 014-9698

July 28, 2014

Dear Residents:

Argonaut Constructors will be starting the road reconstruction phase of work on Monday, August 4, on Sandalwood Court, Sweetbrier Circle, and Somerset Drive. During this work the street will be closed on certain days between 8:30 am and 4:30 pm, and on-street parking will also be prohibited between 8:00 am and 5:00 pm on those days. During road closures, emergency vehicles and mail carriers will be provided access at all times. The Contractor *may* also allow regular local traffic to get through on a coincidental basis, when it is feasible to do so without jeopardizing the safety of the public, his workers, and the progress of work. However, especially for non-emergency situations, depending on the location and nature of activities of the work crews, there may be extended delays of at least 20 to 30 minutes until the workmen are able to make the road safe for driving. To be clear, when the roads are designated as closed for construction, please do not expect unfettered access, and budget ample time contingencies.

The contractor's schedule calls for the following road closure dates:

Sandalwood Court, Sweetbrier Circle

Monday, August 4th – Friday, August 8th: Pulverize, grade, and cement treat the road base
Tuesday, August 12th & Wednesday, August 13th: New asphalt concrete paving (first of two lifts)

Somerset Dr.

Tuesday, August 5th – Monday, August 11th: Pulverize, grade, and cement treat the road base (no work on weekend)
Wednesday, August 13th - Friday, August, 15th: New asphalt concrete paving (first of two lifts)

The above dates are subject to change when unforeseen circumstances arise. Any change as well as the schedule for the top lift of the asphalt concrete paving will be posted on information signs at the entrance to your street. In addition, weekly project updates will be posted on the City's web site under "Public Works & Construction" in the *Quick Links* section. Further questions regarding the work may be directed to Argonaut Constructors Project Manager Jason Balatti at (707) 542-4862, or On-Site Foreman Mike Parmeter. I may be reached at (925) 284-1951. Your patience and cooperation are very much appreciated.

Sincerely,

A handwritten signature in blue ink, appearing to read "Farzaneh Sanders".
