**PROJECT PLANS**

1. Sheet C.102, the 14'x18' planter seat wall at northwest corner of building refers to Detail 1/S.101. The correct reference should be Detail 4/S.302.
2. (For clarification purposes only) Sheet C.102 Detail 2, the exterior concrete slab shown refers Detail 4/S.301. Per that detail, the reinforcement required in this slab is #4 at 12" o.c. east/west. Sheet A.202 shows the same area as reinforced concrete and refers to "details for similar exterior concrete" on structural drawings. S.100 shows exterior concrete areas abutting building to be reinforced with #4 at 12" o.c. east/west. All references are consistent with each other.
