

Is Parking a Problem in Lafayette?

What do **YOU** think of:

Parking meters?
Permits for employees?
A parking garage?

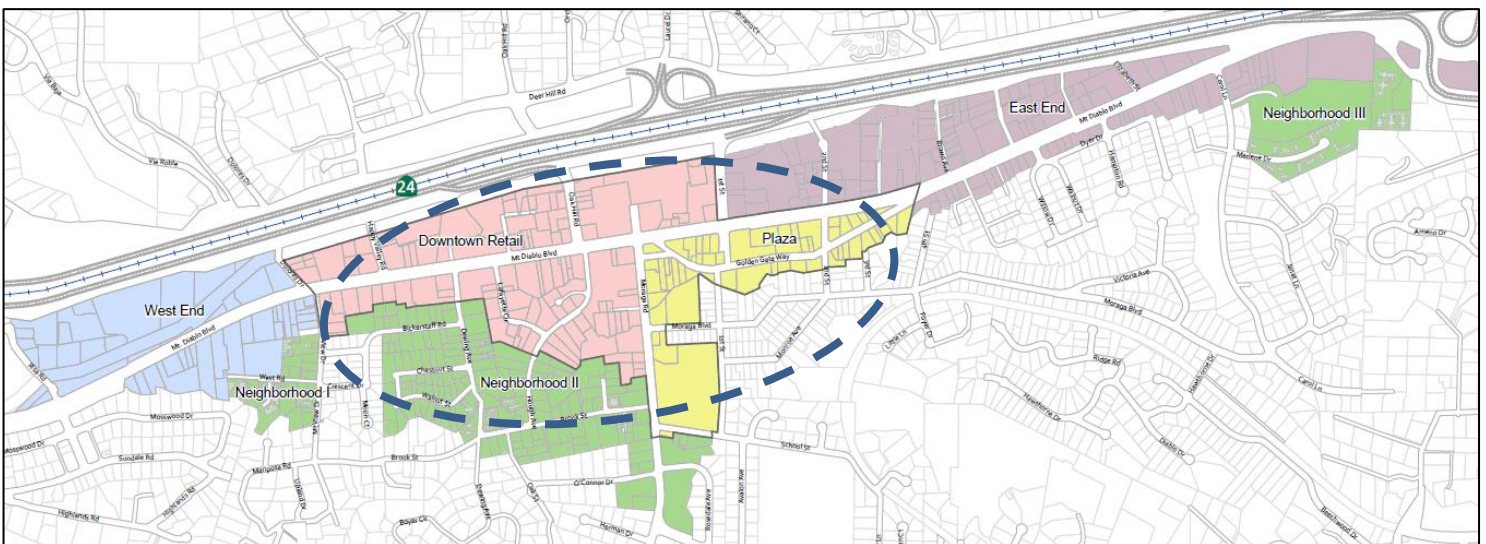

Join us for a workshop to discuss downtown parking and potential strategies to address the issue. We are interested in hearing your thoughts on parking and ways to solve the issues that we face.

City of Lafayette Parking Ordinance Committee
Thursday October 9, 2014 from 6-8pm
Lafayette Methodist Church, Fellowship Hall

This will be the first in a series of downtown parking workshops to obtain feedback from the community to help the City draft its future parking policies. The focus of this meeting will be the Downtown Core, as circled in the map below.

We look forward to seeing you there!
