

## NOTICE TO CONTRACTORS

Sealed proposals will be accepted at the office of the City Clerk, 3675 Mt. Diablo Boulevard, Suite 210, Lafayette, California until 2:00 P.M., Wednesday, May 18, 2016, at which time they will be publicly opened and read, for construction of **Reliez Station Road Signalization Improvements, Project No. 014-9707-1**, including, but not limited to: mobilization; traffic control and construction signage; potholing utilities; clearing and grubbing including tree protection and trimming; tree removal; removal and disposal of asphalt concrete pavement and subgrade, concrete and asphalt curb, gutter, flatwork; removal of existing poles and pedestrian signal equipment, removal of striping, excavating, grading, and compacting pavement subgrade and base materials; construction of minor concrete structures, concrete and/or asphalt curb, gutter, driveways, asphalt concrete pavement, brick paver driveways and walkways, installation of traffic signal equipment with safety lighting, including agency-furnished poles and controllers; pullboxes, conduits, conductors, signs, traffic stripes, markers, and markings; adjustment of utility covers; and all other miscellaneous work as shown on the Plans and as described in the Specifications to provide a complete project.

The Engineer's cost estimate is \$473,000.

Beginning Thursday, April 21, 2016, the contract documents, including the Plans and Specifications, will be available and may be obtained through the City of Lafayette Engineering Services Division by contacting the Engineering Assistant at [tkain@lovelafayette.org](mailto:tkain@lovelafayette.org) or (925)284-1951.

This project shall be constructed in accordance with the March 2013 edition of the City of Lafayette Standard Specifications, which may be obtained at the contact above. The cost of the Standard Specifications is \$20 per set. The cost of mailing is an additional \$8. If you already have the Standard Specifications (dated March 2013), you do not need to purchase a new copy.

Bids shall be submitted in a sealed envelope titled "**Proposal: City of Lafayette, Reliez Station Road Signalization Improvements, Project No. 014-9707-1**".

The Contractor shall possess a Class "A" or Class "C-10" license at the time this contract is awarded. Bidder's attention is directed to requirements in Sections 2 and 3 of the Standard Specifications General Provisions. All bids shall be accompanied by a cashier's or certified check, or a bidder's bond executed by a corporate surety insurer. The bidder's guarantee shall be in the amount equal to at least ten (10) percent of the total bid and shall be made payable to the City of Lafayette. The successful bidder shall furnish a payment bond and a performance bond.

The City Council has ascertained the General Prevailing Rates of Wages applicable to this work, and these rates are on file in the office of the City of Lafayette Engineering Services Division. The City of Lafayette reserves the right to waive any informalities or to reject any or all bids.

Time of completion allowed for this project will be 45 working days. Bidder's attention is directed to the order of work stated in Section 5 of the Special Provisions.

Questions regarding the project Plans or Specifications may be directed to Farzaneh Sanders, City Engineer's Office, (925) 299-3209.

The plan holders list, as well as the City Standard Specifications, the Project Special Provisions and the General Prevailing Rates of Wages applicable to this work may be downloaded free of charge from the City of Lafayette web page at <http://www.ci.lafayette.ca.us> (click on *Public Works and Construction* under the *Quick Links* section on the homepage, then *City Construction Projects; Reliez Station Road Signalization Improvements* is accessible under *Projects Out to Bid*). Or you may contact the Engineering Assistant at (925) 284-1951.
