# City of Lafayette Staff Report

Date: June 13, 2016

For: City Council

By: Steven Falk, City Manager

Tracy Robinson, Administrative Services Director

Subject: FY2106/17 Proposed Municipal Budget and Workplan

# Main Take Away

Lafayette expects to end FY15/16 on a very positive fiscal note, with General Fund revenues exceeding expenses by \$810K. The proposed General Fund budget for the upcoming FY16/17 is exactly balanced with only \$18K projected as surplus but with an overall General Fund reserve of \$9.3M (66%) which is \$905K above the 60% target reserve.

General Fund expenses for FY16/17 are expected to increase 5.2% (\$600K) over the prior year with over half that amount due to increases in contract police services. The remainder of the increase is due to one-time project expenses discussed in detail below. Revenues, as always, are budgeted conservatively to stay relatively flat, with an increase of only 1.4% (\$200K). Expenses for FY15/16 are expected to be \$527K less than budgeted while revenues are projected to be \$425K more than budgeted.

While the City remains in excellent financial health, large surpluses are not expected for the next several years because the Council has allocated \$400K allocated annually for the next three years to finish the residential road repair project. While the 5-year forecast projects that the City will be able to maintain the 60% reserve target, there will be little money available for additional projects or programs. Also, based on a Wall Street Journal survey of economists, the odds of recession in the next 12 months have climbed to 21%. Therefore, although future forecasts of revenue are conservative, a recession that reduces the growth rate of City revenue by only 1% could result in deficits if current spending levels and inflation continue as expected.

### SUMMARY

- General Fund Expenses. The FY16/17 General Fund proposed expenditure budget, including transfers, will total \$14.7M with a net release of \$105K from various sinking funds. Other specific changes to the General Fund are discussed below.
- ◆ General Fund Revenues. The FY16/17 General Fund budget anticipates revenues of \$14.7M, about \$200K more than the prior year budget.
  - The 3% decrease in sales tax revenue (\$158K) is derived from estimates by MuniServices and is attributed primarily to the end of California's complex "triple flip" legislation and the various true up payments that were expected as a result. Barring a recession, sales taxes for future years are expected settle into a more regular 3% increase.

- FY15/16 property tax revenues are estimated to increase 3.8% from the prior year and are conservatively estimated to increase by 3% in FY16/17.
- o All other revenue is estimated to remain relatively flat over the previous year.

# HIGHLIGHTS OF FEE CHANGES

Park Dedication and Facilities Fees have been updated based on an annual adjustment methodology wherein Parkland Fees are adjusted based on the annual percentage growth in the median sales price for single family residences in Lafayette, and Park Facilities Fees are adjusted based on the annual percentage growth in a construction cost index for the Bay Area. As a result, the fees have increased by an average of 9.6% and 2.25% respectively.

# HIGHLIGHTS OF GENERAL FUND PROGRAM CHANGES

# **♦** City Council (11-110)

- √ \$40K for November election expenses
- √ \$500 for a "Poet Laureate" program contingent upon \$3K in matching outside funds from the community

# ◆ Public Art (11-115)

- ✓ Carried over \$25K approved last fiscal year for art in the Jennifer Russell Building
- ✓ Released \$100K from the Public Art sinking fund and added \$100K from the General Fund for art in the new Olympic Boulevard roundabout for a total cost of \$200K

# ♦ Crime Prevention Commission (11-130)

- √ \$24K for a part-time temporary surveillance camera technician to ensure ongoing support for the successful camera program that aids crime investigations
- √ \$25K for a new powered camera system

# ◆ Parks, Trails & Recreation Commission (11-140)

Includes \$12,000 for trail easements

# ♦ Senior Services Commission (11-142)

Includes \$12,500 for one-on-one computer training paid out of a beguest from a senior

# ♦ Police Services (11-210, 11-215)

- ✓ Police contract services increased 7.5% (\$300K) due to the new Sheriff's Department contract. Costs will also increase for these services by 5% for the next two years
- ✓ Personnel costs increased by \$45K due to moving .6FTE from Parking Enforcement because this position is now devoted primarily to assisting police in tasks that do not require sworn officers
- ✓ Animal control contract services increased by \$15K
- ✓ Additional law enforcement databases increased by \$16K

# ◆ Traffic Maintenance (11-320)

Decrease of \$95K due to completion of street sign replacement project

# ♦ Planning Services (11-410)

Includes \$35K for purchase of an electric vehicle (released from sinking fund)

# ♦ Technology Services (11-560)

Includes \$60K for planned refresh of all desktop computers (released from sinking fund)

### HIGHLIGHTS OF CAPITAL IMPROVEMENT PROGRAM CHANGES

# ♦ Parkland Acquisition (Fund 17)

The budget includes \$1.8M for the purchase of Deerhill Park

# ♦ Capital Improvement Projects (Fund 14)

This year's capital improvement budget totals \$2.835M and is funded by \$1.4M from the General Fund -- \$1M from the annual operating budget (including \$800K in waste management impact fees), Gas Tax (\$455K), Measure J (\$350K), and an MTC grant (\$630K)

## HIGHLIGHTS OF CHANGES IN OTHER FUNDS

# ♦ Senior Transportation (Fund 36)

\$5.6K has been added for a new Taxi Voucher Service. This money comes out of the \$22.5K reserved specifically for this program which is part of the \$100K bequest from a former Spirit Van client

# ♦ Library Operations (Fund 37)

The structure of the budget has changed so that charges to the line item "Maintenance of Buildings" (771) no longer include hourly allocations of contract staff time. Contract maintenance staff time is now charged entirely to line item 861 (Contractual Services). This change results in significant variances from prior year budgets and expenses, however, going forward it will be easier to identify year-over-year changes if the total expenses for contract staff are charged to one specific line item. The Building Maintenance Supervisor will still separately track individual hours spent on specific maintenance tasks

Significant capital items include replacing the lights in the Community Hall with LEDs (\$35K), buying new chairs for the Community Hall (\$35K) and installing auto door openers in the library (\$35K)

Note that at the time of publication, the Library Foundation Board had not yet approved this budget. Managing the Library building is a collaborative effort between the Foundation and the City and therefore no expenditures other than for routine maintenance will be spent without a mutually acceptable agreement in place.

# ♦ Core Area Maintenance (Fund 52)

This year the remaining fund balances were depleted, leaving an \$86K gap in funding for this program. Therefore, in addition to the annual \$100K contribution from the General Fund, an additional \$86K will be transferred in order to cover the shortfall. This shortfall is expected to grow annually at the same rate as inflation. Therefore, if the City is to maintain its current level of maintenance services to the downtown core area, this program will either need a new funding source or an ongoing commitment of approximately \$200K annually from the General Fund.

# HIGHLIGHTS OF TRANSFERS AND SINKING FUND CHANGES

# Transfers include:

- ◆ Capital Improvement Projects: \$1.4M contribution which includes \$800K from the waste management mitigation fee.
- Supplemental Law Enforcement: \$432K for supplement additional officers.
- ◆ Library Operations: \$147K to fund additional library hours and reimburse the Foundation for public meetings held in the Community Hall.
- Insurance: \$250K for insurance premiums.
- ◆ Core Area Maintenance: \$186K as discussed above.
- Public Art: \$25K from Recreation Programs to Public Art for art in the Jennifer Russell Building

# Sinking Fund & Reserve Restriction changes include:

- \$100K released from the Public Art fund for art for the Olympic Boulevard roundabout. The sinking fund money was combined with an additional \$100K from the General Fund, creating a \$200K fund for the project.
- ♦ \$200K for Library Maintenance. Staff recently completed an analysis of the costs to maintain the library infrastructure over the next 50 years which indicates that the City should be reserving a minimum of \$200K per year to cover replacement of large capital items such as roof, HVAC, carpet/flooring, windows, etc. For the past 6 years, the City has contributed just \$50K annually to this fund.
- ♦ \$250K re-designated as Purchase/Replacement of Police Vehicles & Equipment (e.g. cameras, technology, etc.) Several years ago, the Council set aside \$250K in anticipation of a possible police transition away from the Sheriff's department contract. Those funds were included in the sinking fund for replacement of police vehicles. Now that the transition is not likely to happen, the sinking fund has been re-designated to include vehicles and equipment. The Chief is currently analyzing the fleet strategy so that we can determine the correct amount to set aside annually for vehicle replacement.
- \$60K released from Computer Replacement as part of the scheduled 3-year technology refresh cycle.
- ♦ A client of the Senior Spirit Van left a bequest of \$123K to Senior Services in her will. The funds were split between Senior Services (\$23K) and Senior Transportation (\$100K). Sinking funds for both of these programs were set up in FY15-16. \$12.5K from the Senior Services sinking fund was released for FY16/17 to fund a one-on-one computer training program. \$77.5K of the Senior Transportation funds were set aside for long-term uses while \$22.5K will be used for a taxi voucher program starting this fiscal year.

### HIGHLIGHTS OF CHANGES IN THE RESERVE STANDARD

The reserve at the end of FY16/17 is estimated to total \$9.3 million (66%). This is \$905K above the Council's 60% target.

# FINANCIAL DASHBOARD

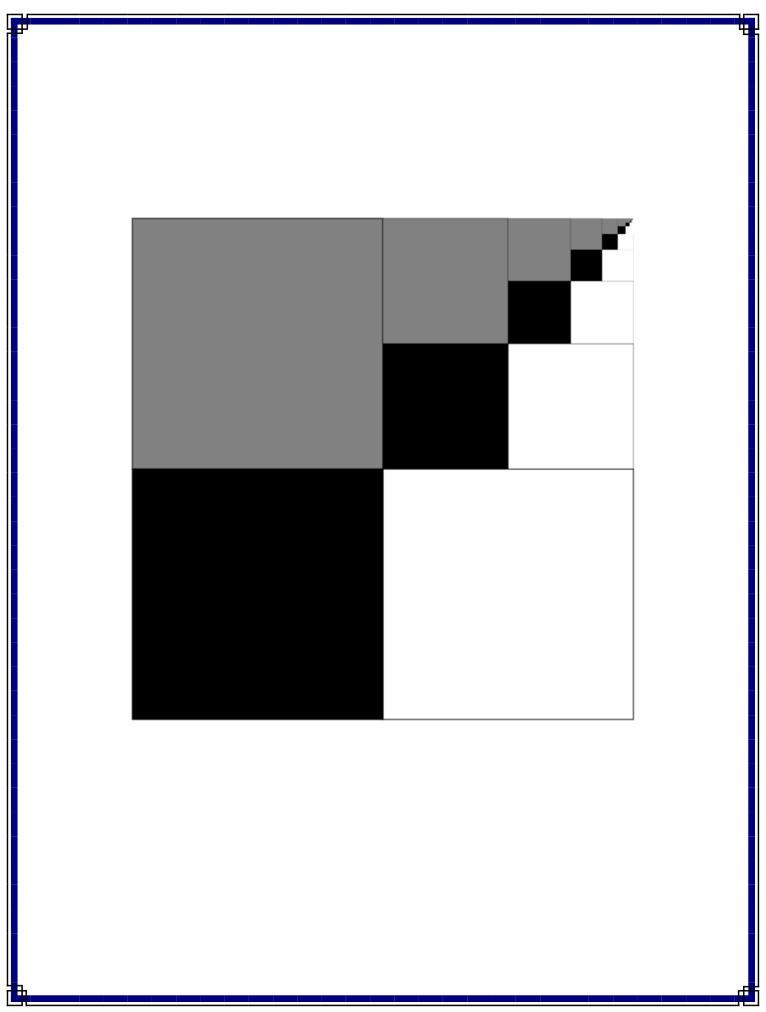

The Financial Dashboard is a result of recommendations made by the Contra Costa Grand Jury in an effort to increase Financial Transparency. The metrics (and their calculations) are detailed below:

- ◆ Days Cash Available this basically just translates the reserve balance into a number of days. For the City, a 64% reserve translates to approximately 243 days. That means that the City would be able to operate "normally" without any revenue for 243 days, or about 8 months.
- ◆ Budget to Actual Performance these metrics show how the City performed relative to the prior year budget. The figures are calculated using the General Fund Expenditure Summary (page 12) and General Fund Revenue Summary (page 35) of the budget. Generally one would like to see expenditures at 100% or lower and revenues at 100% or greater.
- Working Capital this ratio measures the relationship between current assets and current liabilities. For this purpose, the City uses the General Fund cash balances for the prior fiscal year plus the estimated General Fund revenue for the current fiscal year to calculate "current assets". This amount is then divided by the "current liabilities" which is calculated by adding estimated General Fund expenditures and transfers for the current fiscal year. This working capital figure for the current fiscal year is 190%, well over the target of 25% suggested by the Grand Jury.

Ratio of Retirement Obligations to General Fund Revenues – this is calculated by multiplying all regular personnel costs by 15% -- which is the amount the City contributes to employees' 401 plans – and adding in the annual GASB45 payments which fully funds future retirement health obligations. This amount is then divided by the General Fund Revenue. In Lafayette's case, because the City does not participate in PERS, there is very little unfunded retirement obligation because the bulk of retirement benefits are defined-contribution as opposed to defined-benefit.

# CITY OF LAFAYETTE 2016-2017 PROPOSED BUDGET RESERVE STANDARD & CASH POSITION

Effective Fiscal Year 2013-14, the City Council voted to maintain a targeted minimum reserve balance equivalent to 60% of total General Fund operations. This reserve signals the City Council's intention to maintain the City's strong fiscal position, ensures that a significant buffer exists to fund unforeseen events, and bolsters the City's creditworthiness.

# CITY OF LAFAYETTE 2016-2017 PROPOSED BUDGET APPROPRIATION LIMITATION

### **DESCRIPTION**

The Appropriations Limitation imposed on cities by Propositions 4 and 111 creates restrictions on the amount of revenue that can be appropriated in any fiscal year. The limit is based on actual appropriations during the 1978-79 fiscal year and is increased each year using the growth of population and inflation. Not all revenues are restricted by the limit, only those referred to as "proceeds of taxes."

In addition, proceeds of taxes can be spent on several types of appropriations that do not count against the limit. The law allows a city to spend tax proceeds on voter approved debt and the costs of complying with court orders and federal mandates, with certain restrictions. Proposition 111 expanded these exempt categories to include expenditures of "qualified capital outlay" beginning in 1990-91. Appropriations for these excludable categories do not count against the limit.

# City of Lafayette Investment Policy Amended/Approved 12/15/2005

# I. Introduction

The purpose of this document is to identify various policies and procedures that control the investment of City funds.

The investment policies and practices of the City of Lafayette ("the City") are based on state law and prudent money management. All funds will be invested in accordance with this Policy, and California government Code Sections 53601, et seq. If the City issues bonds in the future, the investment of bond proceeds will be further restricted by the provisions of relevant bond documents.

# II. Scope

This policy covers all funds (except retirement funds) and investment activities under the direction of the City.

# III. Objectives

The primary objectives, in priority order, of the investment activities of the City shall be:

- Safety. The first priority for the investment program shall be the safety of principal investment. Speculation or risky investment media will be avoided even though high interest rates might be offered.
- 2) <u>Liquidity</u>. Investments must be carefully coordinated with the City's periodic cash needs. It is urgent that current available cash not be assigned to an investment with a time commitment which will result in the shortage of cash for either operations or capital purposes at some future time.
- 3) Return on Investment. After exercising maximum safety in investment media and responsible spacing of maturity, every effort shall then be made to obtain the highest earnings from investments of City money within the limits prescribed by State law for local government investment.

# IV. Delegation of Authority

The management responsibility for the investment program is hereby delegated to the City Manager or his/her designee who shall monitor and review all investments for consistency with this investment policy. No person may engage in an investment transaction except as provided under the limits of this policy. The City may delegate its investment decision making and execution authority to an investment advisor. The advisor shall follow the policy and such other written instructions as are provided.

# V. Ethics and Conflict of Interest

City employees and officers involved in the investment process shall refrain from personal business activities that materially conflicts with proper execution of the investment program, or impairs their ability to make impartial decisions.

# VI. Permitted Investment Instruments

- 1. Government obligations for which the full faith and credit of the United State are pledged for the payment of principal and interest.
- 2. Federal agency or United States government-sponsored enterprise obligations, participations, or other instruments, including those issued by or fully guaranteed as to principal and interest by federal agencies or United States government-sponsored enterprises.
- Commercial paper rated in the highest short-term rating category, as provided for by a nationally recognized statistical-rating organization (NRSRO). The entity that issues the commercial paper shall meet all of the following conditions in either paragraph (1) or paragraph (2):
  - (1) The entity meets the following criteria:
    - (A) Is organized and operating in the United States as a general corporation.
    - (B) Has total assets in excess of five hundred million dollars (\$500,000,000).
    - (C) Has debt other than commercial paper, if any, that is rated "A" or higher by a NRSRO.
  - (2) The entity meets the following criteria:
    - (A) Is organized within the United States as a special purpose corporation, trust, or limited liability company.
    - (B) Has program wide credit enhancements including, but not limited to, over collateralization, letters of credit, or surety bond.
    - (C) Has commercial paper that is rated "A-1" or higher, or the equivalent, by a NRSRO. Eligible commercial paper shall have a maximum maturity of 270 days or less. Purchases of eligible commercial paper may not exceed 25 percent of the City's investment portfolio, nor may purchases represent more than 10 percent of the outstanding paper of an issuing corporation.
- 4. FDIC insured or fully collateralized time certificates of deposit in financial institutions located in California.
- 5. Negotiable certificates of deposit or deposit notes issued by a nationally or state-chartered bank or a state or federal savings and loan association or by a state-licensed branch of a foreign bank; provided that the senior debt obligations of the issuing institution are rated "AA" or better by Moody's or Standard & Poor's.
  - Purchase of negotiable certificates of deposit may not exceed 30 percent of the City's investment portfolio.
- 6. State of California's Local Agency Investment Fund.

- 7. Fully FDIC insured savings account or money market account.
- 8. Shares of beneficial interest issued by diversified management companies, as defined in Section 23701m of the Revenue and Taxation Code, investing in the securities and obligations authorized by sections a through m of Government Code section 53601. To be eligible for investment pursuant to this subdivision these companies shall either: (1) attain the highest ranking letter or numerical rating provided by not less than two of the three largest nationally recognized rating services or (2) have an investment advisor registered with the Securities and Exchange Commission with not less than five years experience investing in securities and obligations authorized by Government Code Section 53601 and with assets under management in excess of \$500,000,000.

The purchase price of shares shall not exceed 15 percent of the investment portfolio of the City.

- 9. Medium-term corporate notes with a maximum maturity of five years, issued by corporations organized and operating within the United States or by depository institutions licensed by the United States or any state and operating within the United States. Securities eligible for investment shall be rated "AA" or better by a nationally recognized rating service. Purchases of medium term notes may not exceed 10% of the market value of the portfolio.
- Bonds, notes, warrants, or other evidences of indebtedness of any local agency within this state. Eligible investments must be rated AA or better by a nationally recognized rating service.
- 11. Bankers Acceptances that are drawn on and accepted by a commercial bank. Purchases of bankers acceptances may not exceed 180 days' maturity nor exceed 20% of the market value of the City's portfolio.
- 12. Shares of beneficial interest issued by a joint powers authority organized pursuant to Section 6509.7 that invests in the securities and obligations authorized in subdivisions (a) to (n), inclusive. Each share shall represent an equal proportional interest in the underlying pool of securities owned by the joint powers authority. To be eligible under this section, the joint powers authority issuing the shares shall have retained an investment adviser that meets all of the following criteria:
  - (1) The adviser is registered or exempt from registration with the Securities and Exchange Commission.
  - (2) The adviser has not less than five years of experience investing in the securities and obligations authorized in subdivisions (a) to (n), inclusive.
  - (3) The adviser has assets under management in excess of five hundred million dollars (\$500,000,000).

Credit criteria listed in this section refers to the credit of the issuing organization at the time the security is purchased.

The following is a listing of the City's allowable investments relative to the investments permitted for California governmental entities under Government Code §53601.

<sup>1</sup>Must receive the highest rating by two of the three largest nationally recognized rating agencies or the fund must retain an investment advisor who is registered with the SEC and has not less than five years experience managing money market funds with assets under management in excess of \$500 million.

# VII. Maximum Maturity

Investment maturities shall be based on a review of cash flow forecasts. Maturities will be scheduled so as to permit the City to meet all projected obligations.

Unless otherwise noted within this investment policy, the City may not invest in a security that exceeds five (5) years from the date of purchase.

# VIII. Reporting Requirements

Quarterly investment reports shall be submitted to the City Council as a Consent Calendar item. The reports shall include, at a minimum, the following information for individual investment:

- Description of investment instrument
- Issuer name

- Yield to maturity
- Purchase date
- Maturity date
- Purchase price
- Par value
- Current market value for securities with maturity greater than 12 months

The quarterly report shall also (i) state compliance of the portfolio to the statement of investment policy, or manner in which the portfolio is not in compliance, (ii) include a description of any of the City's funds, investments or programs that are under the management of contracted parties, including lending programs, and (iii) include a statement denoting the ability of the City to meet its expenditure requirements for the next six months, or provide an explanation as to why sufficient money shall, or may, not be available.

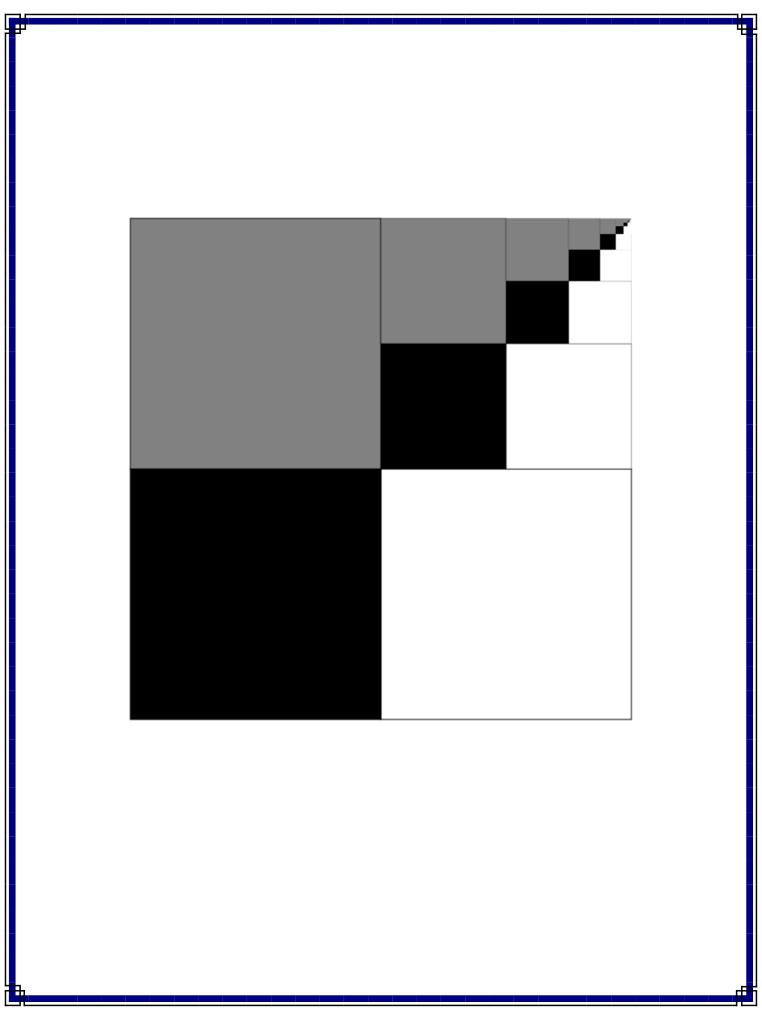

This quarterly report shall be submitted within thirty days following the end of the quarter. The City shall not be required to submit a quarterly report to the Council if, during the entire reporting period, the City has maintained 100 percent of its investment portfolio in the Local Agency Investment Fund.

# IX. Safekeeping and Custody

The assets of the City shall be secured through third-party custody and safekeeping procedures. Bearer instruments shall be held only through third-party institutions.

# X. Annual Review of the Investment Policy

The City Manager and/or Administrative Services Director shall annually submit to the Council a statement of investment policy, which the Council shall consider at a public meeting. Any change in the policy shall also be reviewed by the Council at a public meeting.

#### **PROGRAM**

This Committee is composed of Lafayette residents that by experience, training, education, occupation or avocation, have demonstrated knowledge of and interest in the visual arts.

#### WORKPLAN

- Establish a public art program and its administration
- Establish the City of Lafayette public art collection
- Contribute to the cultural enrichment of the community by adding public art that is of the highest quality, visually stimulating, and of enduring value
- Ensure that public art is incorporated into project planning at the earliest planning stage
- Establish public art gift policies and procedures
- Advise the City Council on art acquisitions and gifts
- Review public art proposals in development project
- Select exhibits for the Library Gallery at the Lafayette Library and Learning Center and other public locations in the community
- Serve as stewards of the City's art collection, including the art at the Lafayette Library and Learning Center
- Advise the City Council on maintenance of the City's collection, and, when necessary, artwork de-accession

#### **PROGRAM**

The Circulation Commission reviews matters that affect the City's right-of-way, promote traffic safety in the City, and administer the Circulation Element of the General Plan. The Commission advises the City Council on matters pertaining to traffic safety, on-street parking, walkways and bikeways. The Bicycle and Pedestrian Advisory Committee also conducts its business in coordination with the Circulation Commission by advising the Commission on issues and matters related to non-motorized modes of transportation. The Commission apportions a share of its staffing and other resource allocation to support BPAC activities.

#### WORKPLAN

- Participate in Downtown Congestion Study via Steering Committee
- Facilitate communication between the community and police on matters of traffic and pedestrian safety.
- Review land development proposals from the standpoint of traffic, pedestrian, and bicycle safety as well as parking impacts.
- Work with BPAC on bicycle and pedestrian issues, including education models funded by Transportation Development grant.
- Review school area traffic safety plans on request basis.

#### **PROGRAM**

The Parks, Trails and Recreation Commission supports the development of city parks, trails, and recreation areas and makes recommendations to the City Council and staff. This budget also supports non-revenue generating services, including:

- Staff time to impart general recreation information to the public
- Staff time to write and administer park, trail, and open space grants
- Staff time to prepare agendas and attend PT&R Commission meeetings
- Staff time to assist consultants and task forces on Master Plans, surveys and studies

#### WORKPLAN

The Commission is divided into the following 3 subcommittees with duties as indicated:

#### **Parks**

- Review and support effective management and operations of existing park facilities to maximize public enjoyment.
- Continue to seek funding and develop the Community Park and other City parks.
- Participate in the development of City policies that affect parks and encourage public awareness and use of park facilities.

#### Trails

- Continue to pursue easements for trails as shown on the Trails Master Plan.
- Construct, maintain, and upgrade trails over easements already obtained.
- Increase public awareness of trails
- Secure progress reports regarding trail easement properties involving EBMUD, the EBRPD, and neighboring communities.
- Pursue outside sources of funding for trail projects.

#### Community Center

- Continue supporting the self-sufficiency of recreation programs.
- Continue maintaining and up-grading the Community Center facilities.

#### **PROGRAM**

It is the mission of the Lafayette Senior Services Commission to enhance the well being of Lafayette's older adults by identifying their concerns, and needs; providing information about resources; and promoting community programs and services that enable them to live meaningful lives.

#### WORKPLAN

- Assist in the development, coordination, and promotion of the Lafayette Senior Services Center programs.
- Maintain representation on County Committees to monitor and advocate for County services for older adults.
- Continue promotion and support of accessible transportation for seniors.
- Explore development of additional senior housing.

#### **PROGRAM**

The Youth Commission was formed to advise the City Council on issues pertaining to Youth in Lafayette. The Commission will coordinate activities for youth and become involved in community functions that benefit both the youth and the community-at-large.

#### **GOALS**

- Perform various community services.
- Promote and support community services for youth.
- Promote, implement, and support activities for youth.
- Consider involvement in other programs outside the City.
- Maintain and enhance cooperative activities with local schools.

#### NOTES:

Youth activities are treated as an enterprise. Any surplus generated by youth activities, after deducting expenditures for the events, is placed in a General Fund reserve account (sinking fund) for Teen activities. This surplus will be used to make donations to various causes that benefit youth and the community.

#### **PROGRAM**

The Planning Commission was established to implement the planning and zoning regulations of the City of Lafayette.

#### WORKPLAN

- Implement the General Plan and Downtown Specific Plan
- Exercise the powers and duties prescribed by statute and ordinance and as assigned by the City Council.
- Hear and decide land use permits, variances, design review, hillside permits, and subdivision approvals.
- Advise the City Council on administration of the laws governing approval of rezonings, planned developments, and ordinance changes.
- Evaluate planning procedures to provide services in the most expeditious fashion without sacrificing quality of review.
- Evaluate the existing level of review for new development and where necessary to implement General Plan goals, recommend changes to the City Council.

### **PROGRAM**

The Design Review Commission was established to advise the Planning Commission and City Council on matters relating to aesthetics and the physical appearance of the City of Lafayette, as well as on those matters for which it is the designated decision making body.

### WORKPLAN

- Hear and decide applications for design review and hillside development permits.
- Serve as a referral body to the Planning Commission on land use, subdivision and variance applications
- Process and review applications in a timely and professional manner.
- Support the Downtown Street Improvement Master Plan Implementation Committee.

### PROGRAM

This program provides contract law enforcement services to the community via the Contra Costa Sheriff's Department. Services include crime suppression, investigation, traffic enforcement, youth services, and community education.

### WORKPLAN

- Continue liaison with and participation in city commissions and community groups to ensure that community standards are enforced and an open line of communication is maintained between the Police Department and the public they serve.
- Increase driver safety and compliance with traffic laws through an aggressive enforcement policy, education, citations and warnings.
- Establish a team approach to criminal investigation so that our Youth Services Officer, Detective, beat officers and the community all work together to jointly solve crimes and aggressively prosecute lawbreakers.
- Ensure continuation of the neighborhood patrol plan so that all city streets are patrolled on a regular basis.
- Continue to use the Bicycle Patrol Officer to patrol the core downtown area and function as the primary liaison to the Lafayette business community.
- Encourage the use of volunteers to supplement and assist the department in its duties. Explore the feasibility of joining the Sheriff's Senior Volunteer Program.
- Monitor and update fleet the management plan and ensure the cost effective and safe use of city owned patrol vehicles.

### PROGRAM

This program provides contract law enforcement services to the community via the Contra Costa Sheriff's Department. Services include traffic enforcement and accident investigation. While all officers have the responsibility to enforce traffic rules, this budget includes costs for two officers whose primary responsibility is ensuring roadway safety within the City of Lafayette. The traffic enforcement unit will utilize plice cars and police motorcycles in order to focus on traffic violations, hazards, collisions and unsafe conditions.

### **PROGRAM**

This activity describes expenses relating to preparation and planning to mitigate the effects of natural and man-made disasters.

#### WORKPLAN

- Increase outreach to neighborhoods, businesses and vulnerable populations regarding need to be personally prepared
- Increase the amount of materials available to residents regarding disaster preparation
- Continue development of municipal codes sections that support emergency preparedness in the community
- Conduct emergency drill using EOC at the Lafayette Library & Learning Center.
- Develop annexes for emergency operations plan (EOP)
- Test EOP annually

| PROGRAM    | 310                      |

#### **PROGRAM**

This program is responsible for the supervision and delivery of minor street, curb, sidewalk, gutter, storm drain and shoulder maintenance services, tree and shrub pruning and weed abatement within the public right-of-way and on City property. Services include cleaning storm drains and roadside ditches, storm damage cleanup and minor mud slide control.

### WORKPLAN

- Undertake pavement and guard rail repairs, large tree trimming and removal, street reconstruction, installation of berms and curbs, shrub clearing and landscape maintenance.
- Identify defective storm drain facilities and perform repairs and upgrades; Perform annual pre-rainy season inspection of drainage systems.
- Respond to storm drain failures during storms, using both internal resources and consultants / contractors.
- Implement repair projects (street, curb, gutter, sidewalk, slope and storm drains) not included in near term CIP.

### **PROGRAM**

This program is responsible for the supervision and delivery of traffic signal maintenance, street and traffic sign installation and maintenance, traffic striping and pavement marking maintenance, and curb painting.

### WORKPLAN

- Implement the City's traffic signal maintenance, sign installation and maintenance, and pavement marking deficiencies program, and continue a program of corrective action.
- Maintain striping and pavement markings maintenance inventory program.
- Implement actions recommended by the Circulation Commission and directed by the City Council.
- Encourage citizen involvement and input into matters concerning vehicle, bicycle and pedestrian safety and convenience.
- Perform ongoing inspection for vegetation encroachment on sight distances and the administration of appropriate trim notices.
- Develop program and recommendations for new sign reflectivity standards.

#### **PROGRAM**

This program is responsible for the maintenance of parks and trails. Emphasis is on appearance and user safety. Some maintenance of the Buckeye Fields and facilities at the Lafayette Community Park will be provided by contract and volunteer labor under the supervision of the Parks Maintenance Specialist.

#### WORKPLAN

- Implement maintenance requirements and track costs of the individual parks and trails for annual maintenance.
- Administer park maintenance contracts.
- Maintain ongoing communications between the public works department, Consolidated Fire District, and Park, Trails and Recreation Subcommittees, and the various park users for the purpose of developing realistic maintenance needs and costs.
- Maintain Brook Street park, Mildred Lane Observation park, Community Park, Leigh Creekside Park & Buckeye Fields.
- Monitor and repair erosion and slides at Community Park.
- Inspect and maintain the seven City trails and the network of trails in the Community Park.
- Create maintenance program for Deerhill Park / dog park

#### **PROGRAM**

This program provides current and future physical planning for the community consistent with the General Plan and the policy direction of the City Council. Strong emphasis is placed on physical preservation of neighborhoods, revitalization and enhancement of the downtown commercial area with respect for the community's semi-rural residential character, and the overall service needs and vitality of the City's economic base.

### WORKPLAN

- Staff and provide professional recommendations to the City Council, Planning Commission, Design Review Commission, DSIMPIC, Public Art Committee, Environmental Task Force, Senior Housing Task Force and subcommittees.
- Provide quality assistance to the public in the areas of zoning, planning, building, and other related activities.
- Hear and decide discretionary approvals administered by the Zoning Administrator.
- Process and review applications in a timely and professional manner.
- Complete the tasks in the approved work plan.
- Implement the goals of the General Plan and the Downtown Specific Plan.

- Facilitation of community involvement in project development.
- Engineering review of development proposals including incorporation of NPDES development regulations.
- Processing improvement plans and subdivision maps for private development.
- Providing input to other agencies, commissions, departments, and the public on engineering, maintenance, and development matters.
- Coordinating with the Public Works Services Manager regarding maintenance, operations, and repair of public facilities.
- Representing the City's interests in regional transportation and funding issues.
- Administering encroachment permit program.

#### WORKPLAN

- Update conditions survey of storm drain infrastructure.
- Administer the Capital Improvement Program, from project development through final construction, including contract administration.
- Administer transportation planning functions.
- Perform engineering review of development proposals including conformance review of new NPDES regulations.
- In coordination with the Planning Division, process improvement plans and subdivision maps for private development.
- Perform special studies to facilitate long-range planning in the areas of capital improvements, downtown redevelopment, and traffic / pedestrian circulation.
- Provide input to other agencies, commissions, departments, and the public on engineering, maintenance, and development matters.
- Provide customer service to the community by responding to questions and requests regarding infrastructure maintenance and improvements.
- Coordinate with the Public Works Services Manager regarding maintenance, operations, and repair of public facilities.
- Represent the City's interests in regional transportation and funding issues.
- Administer the encroachment permit program.
- Staff the Capital Projects Assessment Committee and the Public Works Services subcommittee.

#### **PROGRAM**

The City Manager's office provides general administrative direction of City operations and program implementation as set forth by policy direction of the City Council. The City Manager is appointed by the City Council as chief executive officer of the municipal corporation and is charged with providing professional leadership.

#### WORKPLAN

- Provide sound and objective policy recommendations and responsive staff support to the City Council.
- Monitor and report the fiscal condition of the City government to the City Council and recommend programs and policies that ensure the City's stable and healthy fiscal condition at all times.
- Provide the direction, motivation, supervision, and training of City staff as needed to achieve program objectives.
- Be responsive to citizens in a timely fashion and develop user friendly procedures including prompt and efficient responses to citizen requests for services.
- Develop procedures and training that protect the City's resources through sound management of claims, suits, and litigation.
- Promote the Team Standards and Customer Service Standards to City staff.
- Track and analyze State legislation.

### **PROGRAM**

This program represents various legal services provided by the City Attorney and special legal counsel.

The City Attorney, a contract employee, is legal advisor to the City Council, the administrative staff, and, upon authorization, City Commissions. Responsibilities of the City Attorney include drafting ordinances, resolutions, leases, contracts, agreements, and other documents; researching and preparing legal opinions on various legal issues; attending City Council and Planning Commission meetings for the purpose of giving legal advice; investigating and settling certain civil claims; appearing in court and in administrative proceedings on behalf of the City; prosecuting certain ordinance/code violations; recovering damages to public property; condemning property for public purposes and performing other legal services as requested. The City Attorney's focus is to practice preventative law and provide legal advice leading to the adoption of practices and policies which will prevent or minimize litigation.

Special counsel is engaged when the nature of legal matters requires unique or special expertise to represent the City. The City Council determines, in matters of civil litigation, who shall represent the City. The City Attorney supervises and coordinates with such outside counsel at the Council's request.

City Attorney services are provided by Best, Best & Krieger.

#### ACCOUNT DESCRIPTIONS

863.1 The City pays a retainer of \$18,540 per month for general legal services. Special litigation by the City Attorney is billed at \$255/hour, associates \$225/hour, and paralegal/clerks \$140/hour.

#### **PROGRAM**

The Administrative Services program is responsible for the administration of the City's fiscal and human resource operations, office technology and facilities, risk management, TCI and PG&E franchise oversight, Vistas newsletter publication, and the webpage. Finance is comprised of six principal areas of responsibility: financial administration, accounting, payroll, capital projects, treasury, and purchasing. Human Resources is responsible for recruiting, training, and retaining employees of the highest caliber. The Administrative Services Director functions as the Finance Director and the Human Resources Director.

#### WORKPLAN

#### Finance, Purchasing, and Treasury

- Maintain financial integrity of City and assure that adequate internal controls are in place.
- Maintain the accounting system and financial management practices in conformance with generally accepted accounting practices.
- Maximize interest earnings by investing 99% of all available funds daily.
- Implement Purchasing Ordinance and policy.
- Oversee parking lot leases and income, Transient Occupancy Tax audits, and TCI and PG&E franchise payments.
- Review and adjust user rates and fees to reflect the cost of providing services.
- Continue to pursue federal and state reimbursement for the cost of mandated programs.

#### Personnel

- Continue to recruit the highest quality personnel to fill vacancies as they occur or are created.
- Continue to implement City training programs.
- Manage worker's compensation claims, grievances, disciplinary matters and employee benefits.
- Maintain personnel database.

#### Office Technology, Real and Personal Property, Risk Management, and Franchises

- Manage office facilities and office technologies; telephone, voice mail, copiers, faxes, and computer systems.
- Implement an efficient system of City fixed assets inventory and disposal of surplus fixed assets.
- Continue to serve as the JPA Risk Management Board representative. Review all City property for proper insurance coverage.

#### Vistas and Web Page

- Continue to edit and coordinate the publication and distribution of Vistas newsletter.
- Design and implement changes to the City webpage as an on-going, work-in-progress.

#### **PROGRAMS**

The Recreation Department provides a variety of recreation activities that enhance the quality of life for all Lafayette citizens. Pending availability of space, the Department also administers rentals at the Lafayette Community Center and the Buckeye Fields building. The Lafayette Community Center is the primary facility used by these activities, but schools and other public and private facilities also are used. A Community Center Foundation assists the department with fundraising activities which go toward building and landscaping improvements. The City Council expects the programs to be self-supporting which has prompted the development of the goals below. The Parks and Recreation Director has full profit and loss responsibility for this budget program.

#### WORKPLAN

- Limit Community Center activities to those that are revenue neutral or otherwise subsidized from the general fund.
- Provide high quality recreation programs to the residents of Lafayette.

| PROGRAM    | 800             |

#### **PROGRAM**

This budget provides funds through a maintenance district assessment process to maintain 82 street lights in eleven zones. The budget expense for street lights is not distributed by zone, since the assessments are not based on this budget but rather on the rates charged by PG&E. Property assessments are collected and distributed to the City by the County.

#### ACCOUNT DESCRIPTIONS

There are eleven street lighting zones. They are grouped onto equal benefits for assessment purposes only.

- Zones 1,2,3,5,6,8 and 10 have 45 lights and are billed at the same monthly rate of \$10.00
- Zone 4 has four lights at \$10.00 per month
- Zone 7 has one light at \$10.00 per month
- Zone 9 has twenty lights at \$10.00 per month
- Zone 11 has eleven lights at \$10.00 per month
- Zone 12 has one light at \$10.00 per month

| PROGRAM    | 810                   |  |  |  |

#### **PROGRAM**

The Core Area Maintenance District was formed to provide landscaping, street lighting, and general maintenance improvements. An assessment based on a benefit formula is levied against each parcel within the District for the maintenance provided.

#### WORKPLAN

- Accomplish maintenance, repairs, and improvements within the District in accordance with the guidelines of the Master Plan.
- Maintain park facilities within the Core Area.
- Develop and systematically implement a program to upgrade landscape and irrigation systems in the Core Area.
- Implement rotational tree pruning program.
- Maintain newly landscaped medians.
- Repair decorative brick pavers and repair sidewalk, curb, and gutter as needed.
- Implement final phases of Master Landscaping Plan as developed.

#### **PROGRAM**

This program provides supplemental law enforcement services to the City through funding provided by A.B. 3229. This bill was enacted in 1995-96 and appropriates \$100 million from the State's general fund. The city is required to use the revenue to provide front line municipal police services. The funds shall be appropriated only after the City Council has held a public hearing to consider options for disbursing the funds. Funding must be considered separate and apart from the general fund budget process.

#### WORKPLAN

• This program funds two officers. Approximately 25% of the funding is provided by the state via AB3229.

#### **PROGRAM**

The City of Lafayette is a member of the Contra Costa County Municipal Pooling Authority which provides a self-insurance program for general liability and property insurance. This fund has been established to ensure that the City is protected for deductible claim costs and certain legal and administrative expenses.

Premiums for blanket bonds and unemployment insurance are also included in this budget.
