

NOTICE TO CONTRACTORS

Sealed proposals will be accepted at the office of the City Clerk, 3675 Mt. Diablo Boulevard, Suite 210, Lafayette, California until 11:00 A.M., Thursday, December 1, 2016, at which time they will be publicly opened and read, for Construction of **Taylor Blvd/Pleasant Hill Rd Safety Project, Project No. 014-9709**, including, but not limited to: mobilization; traffic control and construction signage; potholing utilities; removal and disposal of traffic striping, markers and markings, asphalt concrete berm, subgrade, native materials; minor grading; construction of high-friction pavement surface treatment, concrete barrier (K-rail), metal beam guard rail, asphalt concrete berm; installation of traffic signs, stripes, markers, and markings; and all other work as shown on the Plans and as described in the Specifications to provide a complete project.

The Engineer's cost estimate is **\$95,000**.

Contract documents, including the Plans, Special Provisions, and City of Lafayette Standard Specifications, may be obtained at the City of Lafayette Engineering Services Division. The cost of Plans and Special Provisions is \$10 per set, and \$25 per copy of the Standard Specifications. The cost of mailing is an additional \$10. A link to electronic bid documents may be obtained free of charge by contacting the Engineering Secretary at (925)284-1951. Bids shall be submitted in a sealed envelope titled "**Proposal: Taylor Blvd/Pleasant Hill Rd Safety Project, Project No. 014-9709.**"

The Contractor shall possess a Class "A" or "B" license at the time this contract is awarded.

Bidder's attention is directed to requirements in Sections 2 and 3 of the Standard Specifications General Provisions.

All bids shall be accompanied by a cashier's or certified check, or a bidder's bond executed by a corporate surety insurer. The bidder's guarantee shall be in the amount equal to at least ten (10) percent of the total bid and shall be made payable to the City of Lafayette. The successful bidder shall furnish a payment bond and a performance bond.

The Owner reserves the right to waive any informalities or to reject any or all bids.

This is a federally-funded contract. The DBE Contract goal is one-half percent (0.5%). However, the City of Lafayette affirms that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation.

The City Council has ascertained the General Prevailing Rates of Wages and Federal Minimum Wage Rates applicable to this work, and these rates are on file in the office of the City of Lafayette Engineering Services Division.

Time of completion allowed for this project will be **fifteen (15) working days**. Bidder's attention is directed to the order of work stated in Section 5 of the Special Provisions.

Questions regarding the project Plans or Specifications may be directed to Tony Coe, City Engineer, (925) 299-3203.

The plan holders list, as well as the City Standard Specifications, the Project Special Provisions and the General Prevailing Rates of Wages applicable to this work may be downloaded free of charge from the City of Lafayette web page at <http://www.ci.lafayette.ca.us> (click on City Construction Projects under the Public Works & Construction link on the homepage). Or you may contact the Engineering Secretary at (925) 284-1951.
