

ROAD CLOSURE NOTICE

Dear Resident:

Beginning Monday, November 21, The City of Lafayette's contractor plans to begin reconstructing the eastbound lane of Olympic Boulevard west of Pleasant Hill Road. During this operation Olympic Boulevard between Reliez Station Road and Pleasant Hill Road will be configured to one-way travel eastbound only. Westbound travel will be closed between Pleasant Hill Road and the western gate of the Olympic Oaks Subdivision. The working hours will be between 7:30 a.m. and 5:00 p.m. The extended working hours for this one day are necessary to accomplish the many activities to complete the lane reconstruction within the available daylight hours. The above plan is subject to change due to rain or other unanticipated construction conflicts.

On this day, you are highly encouraged to use alternate routes. When detouring onto residential streets, please exercise safety and courtesy to others, especially children walking and bicycling.

The map and photo below illustrates the planned lane configuration for November 21.

PLEASANT HILL RD / OLYMPIC BLVD
INTERSECTION CIRCULATION
NOV. 21, 2016
