

Pleasant Hill Rd/Olympic Blvd Roundabout Construction ROAD CLOSURE NOTICE

Dear Resident:

Our contractor plans to begin the pavement restoration over the entire intersection over a two-day period beginning Friday, December 16. The working hours will be between 8:00 a.m. and 5:00 p.m. The extended working hours are necessary to accomplish the many activities involved in the grinding of the existing pavement surface and the new paving operation within the available daylight hours. The above plan is subject to change due to rain or other unanticipated construction conflicts. Please check the City of Lafayette website “Public Works and Construction” link for update.

During this operation Olympic Boulevard will be closed in both directions between Reliez Station Road and Windtree Lane. The Olympic Oaks Subdivision Residents can still use the western gate to the subdivision for ingress and egress. Pleasant Hill Road will be closed in both directions between Olympic Boulevard and Reliez Station Road. You are highly encouraged to use alternate routes in your travels. There will be flaggers, detour signs, and message boards to inform and guide traffic around the work zone.

The map below illustrates the planned intersection closure for Friday, December 16 & Saturday, December 17.
