City Manager's Memo

City of Lafayette
Staff Report
 City Council

Meeting Date: December 12, 2016

Staff: Steven Falk, City Manager
Tracy Robinson, Administrative Services Director

Subject: FY2016/17 Final Municipal Budget and Workplan

Introduction and Summary

This Final Budget refines the Proposed Budget adopted by the Lafayette City Council in June. The City remains in excellent financial health with a projected General Fund balance of \$10.1M at the end of the fiscal year, June 30, 2016. This is equal to 79% of annual general fund expenditures, well above the 60% target. That said, the \$1.5M needed for the Police Department lease and improvements will drop the reserve back to 61% in FY16-17.

Actual expenses were \$760K less than budgeted and revenue was \$1.2M more than budgeted. The primary differences from the budgeted amounts are detailed in the tables below:

| Expenses Below Budget FY15-16 | |
|--------------------------------------|----------------|
| Police Services | 277,500 |
| 999 Unspent | 225,000 |
| Legal | 95,000 |
| Commissions & Committees | 60,000 |
| Emergency Response | 50,000 |
| Miscellaneous | 52,500 |
| TOTAL | 760,000 |

| Revenue Above Budget FY15-16 | |
|-------------------------------------|------------------|
| Property Tax | 315,000 |
| Fees for Service | 275,000 |
| Investment Earnings | 165,000 |
| Motor Vehicle In Lieu | 130,000 |
| Transient Occupancy Tax | 70,000 |
| Franchise Fees | 55,000 |
| Miscellaneous | 200,000 |
| TOTAL | 1,200,000 |

Property taxes and sales taxes each increased by 11% compared to the prior year. In addition, increased property development activity pushed Engineering, Planning and Public Works fees above their budgeted amounts as well. The increase in Franchise Fees was due primarily to PG&E and Cable TV. Investment earnings were boosted slightly due to small changes in the portfolio management.

Expenses for police services came in below budget due primarily to vacant positions being filled by overtime. Therefore, while this practice may continue intermittently, this current budget reflects the full staffing of 17 officers. Most other expense variances were due to timing issues for projects and unspent money from prior year savings.

Revenue

Revenues have been increased from the Proposed Budget by \$515K as follows:

- \$315K - Property tax revenue recalculated to reflect an increase of 3.5% from the FY15-16 actual amount.
- \$145K – Investment revenue adjusted to more accurately reflect current earnings (\$100K) as well as added in \$45K in RDA earnings not previously included in the budget.
- \$30K – Franchise Fees adjusted to more accurately reflect prior year revenue trend
- \$25K – Transient occupancy tax adjusted to more accurately reflect prior year revenue trend

Fees

Fees have been updated for the Residential Parking Permit Program (RPPP) from \$15/year to \$51/year in order to be commensurate with the actual costs to administer the RPPP. This proposal derives from direct staff experience administering the program including parking permit intake and renewals, fee collection, processing, and program management. A separate detailed staff report is included in the Council packet.

Changes to Expenditures Compared to Proposed Budget

- Added \$1.74M to Parking Programs (Fund 32) to purchase (\$1.5M) and improve (\$178K) the OakBridge Parking lot. Note that, as a result of this purchase, Fund 32 is showing a negative balance of \$760K which is offset by the loan made to the RDA to purchase a parking lot for the Library. We thus project that it will be several years before the fund is “back in the black” and the City will have the capacity to purchase additional off-street parking.
- Added \$1.4M to the Public Facilities Fund (Fund 16) to buy out master lease (\$400K) and make tenant improvements (\$1M) to the 3471 Mt. Diablo property. Note that \$1.4M was transferred from the General Fund for this project.
- Added \$68K to Police Services (11-210) for seven months of rent for 3471 Mt. Diablo Rd location while tenant improvements on the new Police Station are being made.
- Added \$200K to Legal Services (Fund 11-520) for a settlement agreement with property owners.
- Added \$20K to Parks, Trails & Recreation Commission (11-140) to finish work on Leigh Creekside Park plans.

Capital Improvement Programs

The 2016 construction year Capital Improvement project budgets adopted by the Council last June remain unchanged, except to include carry-overs of projects that were not completed in the last fiscal year. In addition, \$105K from the In-Lieu Tree Sinking Fund was released to fund part of the Olympic-Reliez Station Road Corridor Improvements.

Projects for the 2016 construction year include:

- 2015 Surface Seal Program
- 2016 Road Rehabilitation
- 2017 Road/Drain Rehabilitation
- Olympic/Reliez Station Corridor Improvements
- Taylor Blvd., Safety Project
- Community Center Ped Crossing
- Pleasant Hill Road Resurfacing

Five-Year Forecast & General Fund Reserve

The master lease for the new police station resulted in a net annual deficit of \$1.1M for FY15-16. When the improvements to the new police station are completed, we project that General Fund reserves will drop to \$8.7M (61%) at the end of FY16-17.

Given conservative estimates for both revenue and expense increases over the next five years, the 5-year forecast estimates that the City will be able to maintain a 60% reserve. However, there will be few if any extra funds available for other significant projects during this period.

Challenges for the upcoming five-year period include putting aside money to purchase the new police station property when it becomes available and managing the Core Area Maintenance budget now that all fund balances are exhausted.

Recommendation

Receive the Final FY2016-17 Municipal Budget and Workplan and adopt Resolution 2016-72.

CITY OF LAFAYETTE

2016-2017 FINAL BUDGET

RESERVE STANDARD & CASH POSITION

Effective Fiscal Year 2013-14, the City Council voted to maintain a targeted minimum reserve balance equivalent to 60% of total General Fund operations. This reserve signals the City Council's intention to maintain the City's strong fiscal position, ensures that a significant buffer exists to fund unforeseen events, and bolsters the City's creditworthiness.

CITY OF LAFAYETTE

2016-2017 FINAL BUDGET

APPROPRIATION LIMITATION

DESCRIPTION

The Appropriations Limitation imposed on cities by Propositions 4 and 111 creates restrictions on the amount of revenue that can be appropriated in any fiscal year. The limit is based on actual appropriations during the 1978-79 fiscal year and is increased each year using the growth of population and inflation. Not all revenues are restricted by the limit, only those referred to as "proceeds of taxes."

In addition, proceeds of taxes can be spent on several types of appropriations that do not count against the limit. The law allows a city to spend tax proceeds on voter approved debt and the costs of complying with court orders and federal mandates, with certain restrictions. Proposition 111 expanded these exempt categories to include expenditures of "qualified capital outlay" beginning in 1990-91. Appropriations for these excludable categories do not count against the limit.

City of Lafayette Investment Policy

I. Introduction

The purpose of this document is to identify various policies and procedures that control the investment of City funds.

The investment policies and practices of the City of Lafayette ("the City") are based on state law and prudent money management. All funds will be invested in accordance with this Policy, and California government Code Sections 53601, et seq. If the City issues bonds in the future, the investment of bond proceeds will be further restricted by the provisions of relevant bond documents.

II. Scope

This policy covers all funds (except retirement funds) and investment activities under the direction of the City.

III. Objectives

The primary objectives, in priority order, of the investment activities of the City shall be:

- 1) Safety. The first priority for the investment program shall be the safety of principal investment. Speculation or risky investment media will be avoided even though high interest rates might be offered.
- 2) Liquidity. Investments must be carefully coordinated with the City's periodic cash needs. It is urgent that current available cash not be assigned to an investment with a time commitment which will result in the shortage of cash for either operations or capital purposes at some future time.
- 3) Return on Investment. After exercising maximum safety in investment media and responsible spacing of maturity, every effort shall then be made to obtain the highest earnings from investments of City money within the limits prescribed by State law for local government investment.

IV. Delegation of Authority

The management responsibility for the investment program is hereby delegated to the City Manager or his/her designee who shall monitor and review all investments for consistency with this investment policy. No person may engage in an investment transaction except as provided under the limits of this policy. The City may delegate its investment decision making and execution authority to an investment advisor. The advisor shall follow the policy and such other written instructions as are provided.

V. Ethics and Conflict of Interest

City employees and officers involved in the investment process shall refrain from personal business activities that materially conflicts with proper execution of the investment program, or impairs their ability to make impartial decisions.

VI. Permitted Investment Instruments

1. Government obligations for which the full faith and credit of the United State are pledged for the payment of principal and interest.
2. Federal agency or United States government-sponsored enterprise obligations, participations, or other instruments, including those issued by or fully guaranteed as to principal and interest by federal agencies or United States government-sponsored enterprises.
3. Commercial paper rated in the highest short-term rating category, as provided for by a nationally recognized statistical-rating organization (NRSRO). The entity that issues the commercial paper shall meet all of the following conditions in either paragraph (1) or paragraph (2):
 - (1) The entity meets the following criteria:
 - (A) Is organized and operating in the United States as a general corporation.
 - (B) Has total assets in excess of five hundred million dollars (\$500,000,000).
 - (C) Has debt other than commercial paper, if any, that is rated "A" or higher by a NRSRO.
 - (2) The entity meets the following criteria:
 - (A) Is organized within the United States as a special purpose corporation, trust, or limited liability company.
 - (B) Has program wide credit enhancements including, but not limited to, over collateralization, letters of credit, or surety bond.
 - (C) Has commercial paper that is rated "A-1" or higher, or the equivalent, by a NRSRO. Eligible commercial paper shall have a maximum maturity of 270 days or less. Purchases of eligible commercial paper may not exceed 25 percent of the City's investment portfolio, nor may purchases represent more than 10 percent of the outstanding paper of an issuing corporation.
4. FDIC insured or fully collateralized time certificates of deposit in financial institutions located in California.
5. Negotiable certificates of deposit or deposit notes issued by a nationally or state-chartered bank or a state or federal savings and loan association or by a state-licensed branch of a foreign bank; provided that the senior debt obligations of the issuing institution are rated "AA" or better by Moody's or Standard & Poor's.

Purchase of negotiable certificates of deposit may not exceed 30 percent of the City's investment portfolio.

6. State of California's Local Agency Investment Fund.

7. Fully FDIC insured savings account or money market account.
8. Shares of beneficial interest issued by diversified management companies, as defined in Section 23701m of the Revenue and Taxation Code, investing in the securities and obligations authorized by sections a through m of Government Code section 53601. To be eligible for investment pursuant to this subdivision these companies shall either: (1) attain the highest ranking letter or numerical rating provided by not less than two of the three largest nationally recognized rating services or (2) have an investment advisor registered with the Securities and Exchange Commission with not less than five years experience investing in securities and obligations authorized by Government Code Section 53601 and with assets under management in excess of \$500,000,000.

The purchase price of shares shall not exceed 15 percent of the investment portfolio of the City.

9. Medium-term corporate notes with a maximum maturity of five years, issued by corporations organized and operating within the United States or by depository institutions licensed by the United States or any state and operating within the United States. Securities eligible for investment shall be rated "AA" or better by a nationally recognized rating service. Purchases of medium term notes may not exceed 10% of the market value of the portfolio.
10. Bonds, notes, warrants, or other evidences of indebtedness of any local agency within this state. Eligible investments must be rated AA or better by a nationally recognized rating service.
11. Bankers Acceptances that are drawn on and accepted by a commercial bank. Purchases of bankers acceptances may not exceed 180 days' maturity nor exceed 20% of the market value of the City's portfolio.
12. Shares of beneficial interest issued by a joint powers authority organized pursuant to Section that invests in the securities and obligations authorized in subdivisions (a) to (n), inclusive. Each share shall represent an equal proportional interest in the underlying pool of securities owned by the joint powers authority. To be eligible under this section, the joint powers authority issuing the shares shall have retained an investment adviser that meets all of the following criteria:
 - (1) The adviser is registered or exempt from registration with the Securities and Exchange Commission.
 - (2) The adviser has not less than five years of experience investing in the securities and obligations authorized in subdivisions (a) to (n), inclusive.
 - (3) The adviser has assets under management in excess of five hundred million dollars (\$500,000,000).

Credit criteria listed in this section refers to the credit of the issuing organization at the time the security is purchased.

The following is a listing of the City's allowable investments relative to the investments permitted for California governmental entities under Government Code §53601.

¹Must receive the highest rating by two of the three largest nationally recognized rating agencies or the fund must retain an investment advisor who is registered with the SEC and has not less than five years experience managing money market funds with assets under management in excess of \$500 million.

VII. Maximum Maturity

Investment maturities shall be based on a review of cash flow forecasts. Maturities will be scheduled so as to permit the City to meet all projected obligations.

Unless otherwise noted within this investment policy, the City may not invest in a security that exceeds five (5) years from the date of purchase.

VIII. Reporting Requirements

Quarterly investment reports shall be submitted to the City Council as a Consent Calendar item. The reports shall include, at a minimum, the following information for individual investment:

- Description of investment instrument
- Issuer name

- Yield to maturity
- Purchase date
- Maturity date
- Purchase price
- Par value
- Current market value for securities with maturity greater than 12 months

The quarterly report shall also (i) state compliance of the portfolio to the statement of investment policy, or manner in which the portfolio is not in compliance, (ii) include a description of any of the City's funds, investments or programs that are under the management of contracted parties, including lending programs, and (iii) include a statement denoting the ability of the City to meet its expenditure requirements for the next six months, or provide an explanation as to why sufficient money shall, or may, not be available.

This quarterly report shall be submitted within thirty days following the end of the quarter. The City shall not be required to submit a quarterly report to the Council if, during the entire reporting period, the City has maintained 100 percent of its investment portfolio in the Local Agency Investment Fund.

IX. Safekeeping and Custody

The assets of the City shall be secured through third-party custody and safekeeping procedures. Bearer instruments shall be held only through third-party institutions.

X. Annual Review of the Investment Policy

The City Manager and/or Administrative Services Director shall annually submit to the Council a statement of investment policy, which the Council shall consider at a public meeting. Any change in the policy shall also be reviewed by the Council at a public meeting.

DESCRIPTION

| | |
|-------------------|-----------------------------------|
| DEPARTMENT | Parks, Trails & Rec Commission |
| FUND | 11 |
| PROGRAM | 140 |

PROGRAM

The Parks, Trails and Recreation Commission supports the development of city parks, trails, and recreation areas and makes recommendations to the City Council and staff. This budget also supports non-revenue generating services, including:

- Staff time to impart general recreation information to the public
- Staff time to write and administer park, trail, and open space grants
- Staff time to prepare agendas and attend PT&R Commission meetings
- Staff time to assist consultants and task forces on Master Plans, surveys and studies

WORKPLAN

The Commission is divided into the following 3 subcommittees with duties as indicated:

Parks

- Review and support effective management and operations of existing park facilities to maximize public enjoyment.
- Continue to seek funding and develop the Community Park and other City parks.
- Participate in the development of City policies that affect parks and encourage public awareness and use of park facilities.

Trails

- Continue to pursue easements for trails as shown on the Trails Master Plan.
- Construct, maintain, and upgrade trails over easements already obtained.
- Increase public awareness of trails
- Secure progress reports regarding trail easement properties involving EBMUD, the EBRPD, and neighboring communities.
- Pursue outside sources of funding for trail projects.

Community Center

- Continue supporting the self-sufficiency of recreation programs.
- Continue maintaining and up-grading the Community Center facilities.

DESCRIPTION

| | |
|-------------------|-----------------|
| DEPARTMENT | Police Services |
| FUND | 11 |
| PROGRAM | 210 |

PROGRAM

This program provides contract law enforcement services to the community via the Contra Costa Sheriff's Department. Services include crime suppression, investigation, traffic enforcement, youth services, and community education.

WORKPLAN

- Continue liaison with and participation in city commissions and community groups to ensure that community standards are enforced and an open line of communication is maintained between the Police Department and the public they serve.
- Increase driver safety and compliance with traffic laws through an aggressive enforcement policy, education, citations and warnings.
- Establish a team approach to criminal investigation so that our Youth Services Officer, Detective, beat officers and the community all work together to jointly solve crimes and aggressively prosecute lawbreakers.
- Ensure continuation of the neighborhood patrol plan so that all city streets are patrolled on a regular basis.
- Continue to use the Bicycle Patrol Officer to patrol the core downtown area and function as the primary liaison to the Lafayette business community.
- Encourage the use of volunteers to supplement and assist the department in its duties. Explore the feasibility of joining the Sheriff's Senior Volunteer Program.
- Monitor and update fleet the management plan and ensure the cost effective and safe use of city owned patrol vehicles.

DESCRIPTION

| | |
|-------------------|---------------------|
| DEPARTMENT | Traffic Enforcement |
| FUND | 11 |
| PROGRAM | 215 |

PROGRAM

This program provides contract law enforcement services to the community via the Contra Costa Sheriff's Department. Services include traffic enforcement and accident investigation. While all officers have the responsibility to enforce traffic rules, this budget includes costs for two officers whose primary responsibility is ensuring roadway safety within the City of Lafayette. The traffic enforcement unit will utilize plice cars and police motorcycles in order to focus on traffic violations, hazards, collisions and unsafe conditions.

|-------------------|-------------------|
| DEPARTMENT | Planning Services |
| FUND | 11 |
| PROGRAM | 410 |

PROGRAM

This program provides current and future physical planning for the community consistent with the General Plan and the policy direction of the City Council. Strong emphasis is placed on physical preservation of neighborhoods, revitalization and enhancement of the downtown commercial area with respect for the community's semi-rural residential character, and the overall service needs and vitality of the City's economic base.

WORKPLAN

- Staff and provide professional recommendations to the City Council, Planning Commission, Design Review Commission, DSIMPIC, Public Art Committee, Environmental Task Force, Senior Housing Task Force and subcommittees.
- Provide quality assistance to the public in the areas of zoning, planning, building, and other related activities.
- Hear and decide discretionary approvals administered by the Zoning Administrator.
- Process and review applications in a timely and professional manner.
- Complete the tasks in the approved work plan.
- Implement the goals of the General Plan and the Downtown Specific Plan.

DESCRIPTION

| | |
|-------------------|----------------|
| DEPARTMENT | Legal Services |
| FUND | 11 |
| PROGRAM | 520 |

PROGRAM

This program represents various legal services provided by the City Attorney and special legal counsel.

The City Attorney, a contract employee, is legal advisor to the City Council, the administrative staff, and, upon authorization, City Commissions. Responsibilities of the City Attorney include drafting ordinances, resolutions, leases, contracts, agreements, and other documents; researching and preparing legal opinions on various legal issues; attending City Council and Planning Commission meetings for the purpose of giving legal advice; investigating and settling certain civil claims; appearing in court and in administrative proceedings on behalf of the City; prosecuting certain ordinance/code violations; recovering damages to public property; condemning property for public purposes and performing other legal services as requested. The City Attorney's focus is to practice preventative law and provide legal advice leading to the adoption of practices and policies which will prevent or minimize litigation.

Special counsel is engaged when the nature of legal matters requires unique or special expertise to represent the City. The City Council determines, in matters of civil litigation, who shall represent the City. The City Attorney supervises and coordinates with such outside counsel at the Council's request.

City Attorney services are provided by Best, Best & Krieger.

ACCOUNT DESCRIPTIONS

863.1 The City pays a retainer of \$18,540 per month for general legal services. Special litigation by the City Attorney is billed at \$255/hour, associates \$225/hour, and paralegal/clerks \$140/hour.

CITY OF LAFAYETTE
2016-2017 FINAL BUDGET
DESCRIPTION

| | |
|-------------------|-------------------------|
| DEPARTMENT | Administrative Services |
| FUND | 11 |
| PROGRAM | 540 |

PROGRAM

The Administrative Services program is responsible for the administration of the City's fiscal and human resource operations, office technology and facilities, risk management, TCI and PG&E franchise oversight, Vistas newsletter publication, and the webpage. Finance is comprised of six principal areas of responsibility: financial administration, accounting, payroll, capital projects, treasury, and purchasing. Human Resources is responsible for recruiting, training, and retaining employees of the highest caliber. The Administrative Services Director functions as the Finance Director and the Human Resources Director.

WORKPLAN

Finance, Purchasing, and Treasury

- Maintain financial integrity of City and assure that adequate internal controls are in place.
- Maintain the accounting system and financial management practices in conformance with generally accepted accounting practices.
- Maximize interest earnings by investing 99% of all available funds daily.
- Implement Purchasing Ordinance and policy.
- Oversee parking lot leases and income, Transient Occupancy Tax audits, and TCI and PG&E franchise payments.
- Review and adjust user rates and fees to reflect the cost of providing services.
- Continue to pursue federal and state reimbursement for the cost of mandated programs.

Personnel

- Continue to recruit the highest quality personnel to fill vacancies as they occur or are created.
- Continue to implement City training programs.
- Manage worker's compensation claims, grievances, disciplinary matters and employee benefits.
- Maintain personnel database.

Office Technology, Real and Personal Property, Risk Management, and Franchises

- Manage office facilities and office technologies: telephone, voice mail, copiers, faxes, and computer systems.
- Implement an efficient system of City fixed assets inventory and disposal of surplus fixed assets.
- Continue to serve as the JPA Risk Management Board representative. Review all City property for proper insurance coverage.

Vistas and Web Page

- Continue to edit and coordinate the publication and distribution of Vistas newsletter.
- Design and implement changes to the City webpage as an on-going, work-in-progress.

DESCRIPTION

| | |
|-------------------|---------------------|
| DEPARTMENT | Recreation Programs |
| FUND | 31 |
| PROGRAM | 700 |

PROGRAMS

The Recreation Department provides a variety of recreation activities that enhance the quality of life for all Lafayette citizens. Pending availability of space, the Department also administers rentals at the Lafayette Community Center and the Buckeye Fields building. The Lafayette Community Center is the primary facility used by these activities, but schools and other public and private facilities also are used. A Community Center Foundation assists the department with fundraising activities which go toward building and landscaping improvements. The City Council expects the programs to be self-supporting which has prompted the development of the goals below. The Parks and Recreation Director has full profit and loss responsibility for this budget program.

WORKPLAN

- Limit Community Center activities to those that are revenue neutral or otherwise subsidized from the general fund.
- Provide high quality recreation programs to the residents of Lafayette.

CITY OF LAFAYETTE
2016-2017 FINAL BUDGET
DESCRIPTION

| | |
|-------------------|-----------------|
| DEPARTMENT | Street Lighting |
| FUND | 51 |
| PROGRAM | 800 |

PROGRAM

This budget provides funds through a maintenance district assessment process to maintain 82 street lights in eleven zones. The budget expense for street lights is not distributed by zone, since the assessments are not based on this budget but rather on the rates charged by PG&E. Property assessments are collected and distributed to the City by the County.

ACCOUNT DESCRIPTIONS

831 There are eleven street lighting zones. They are grouped onto equal benefits for assessment purposes only.

- Zones 1,2,3,5,6,8 and 10 have 45 lights and are billed at the same monthly rate of \$10.00
- Zone 4 has four lights at \$10.00 per month
- Zone 7 has one light at \$10.00 per month
- Zone 9 has twenty lights at \$10.00 per month
- Zone 11 has eleven lights at \$10.00 per month
- Zone 12 has one light at \$10.00 per month

| DEPARTMENT | Core Area Maintenance |
| FUND | 52 |
| PROGRAM | 810 |

PROGRAM

The Core Area Maintenance District was formed to provide landscaping, street lighting, and general maintenance improvements. An assessment based on a benefit formula is levied against each parcel within the District for the maintenance provided.

WORKPLAN

- Accomplish maintenance, repairs, and improvements within the District in accordance with the guidelines of the Master Plan.
- Maintain park facilities within the Core Area.
- Develop and systematically implement a program to upgrade landscape and irrigation systems in the Core Area.
- Implement rotational tree pruning program.
- Maintain newly landscaped medians.
- Repair decorative brick pavers and repair sidewalk, curb, and gutter as needed.
- Implement final phases of Master Landscaping Plan as developed.

DESCRIPTION

| | |
|-------------------|-------------------------|
| DEPARTMENT | Supp. Law Enf. Services |
| FUND | 73 |
| PROGRAM | 920 |

PROGRAM

This program provides supplemental law enforcement services to the City through funding provided by A.B. 3229. This bill was enacted in 1995-96 and appropriates \$100 million from the State's general fund. The city is required to use the revenue to provide front line municipal police services. The funds shall be appropriated only after the City Council has held a public hearing to consider options for disbursing the funds. Funding must be considered separate and apart from the general fund budget process.

WORKPLAN

- This program funds two officers. Approximately 25% of the funding is provided by the state via AB3229.
