Assignment of Letters

1. Letters are assigned based upon a random draw.
2. No letters are excluded from the random draw.
3. If, during the election, all letters have been used, lettering will continue with “AA”, “BB”, etc.
4. Unused letters will not carry over to the next election. Each election will begin with a new randomized alphabet drawing.

When a Jurisdiction Covers Two or More Counties

When a jurisdiction covers two or more counties, the Registrar of Voters in each county may mutually agree to use the same letter for the measure.

Withdrawal of a Measure

A legislative body may amend or withdraw its measure by filing a resolution stating the specifics concerning the amendment or withdrawal not later than 83 days before an election. An initiative or referendum measure may be withdrawn by filing a “Notice of Withdrawal” signed by all proponents. If a measure is withdrawn after the letters have been assigned, the letter which was assigned to that measure will not be used by other measures in that election.

WHO CAN SUBMIT AN ARGUMENT

The governing board (Board of Supervisors, School Board or Special District Board), any individual voter who is eligible to vote on the measure, a bona fide association of citizens, or any combination of these voters and associations may file a written Argument In Favor or Argument Against any county, school, or district measure placed on the ballot by the governing body or by initiative.

If More Than One Argument In Favor or Argument Against Is Filed

1. Members of the governing board
2. The bona fide sponsors or proponents of the measure
3. Bona fide associations of citizens
4. Individual voters who are eligible to vote on the measure

If two or more parties representing the same type of body/association submit competing arguments in favor or against the same measure, the City Clerk will make a subjective assessment of the arguments.
