**Lafayette City Council and the Lafayette School District Board
To Hold Semi-Annual Joint Meeting April 30**

LAFAYETTE, CALIF., Apr. 23, 2018 – Following a long-established partnership between the City and Lafayette’s schools, the Lafayette City Council and the Lafayette School District Board will hold a special joint meeting on April 30, 2018, to review items of mutual interest to both the City and the School District.

The meeting, which continues a semi-annual tradition between the City and the community’s schools, will be held at the Lafayette Library and Learning Center, 3491 Mount Diablo Boulevard, Lafayette, in the Community Hall. A special performance by the Stanley Jazz Messengers will take place at 6:30 and the collaborative meeting begins at 7:00 p.m.

The Council and School Board Members will discuss traffic near schools and on major roads, public safety and school site security, school finances and the City’s referendum on the June Ballot. The Council and the Board will also hear a Downtown Congestion Plan update and updates on the implications of approved and proposed housing legislation and affordable housing for teachers and City and School District staff.

The public is encouraged to attend this special meeting and share input on these matters. A final agenda for the joint meeting will be posted shortly.
