ON-CALL ENVIRONMENTAL CONSULTANTS LIST

The City of Lafayette recently went through a Request of Qualification and interview process for selection of Environmental Consultants to provide environmental services for one or more proposed projects including but not limited to general plan amendments, zoning changes, hillside development permits, land use permits, subdivisions, variances, specific plans, and other projects. The Environmental Consultants will be responsible for the preparation of Environmental Impact Reports, Environmental Impact Statements, Negative Declarations, technical studies, and other California Environmental Quality Act (CEQA) and National Environmental Protection Act (NEPA) documentation for proposed projects.
