

Moraga Road Maintenance Work Ahead

Lafayette's contractor and the City's Public Works Crew will be taking advantage of a school holiday to close Moraga Road so that maintenance work can be conducted on **Monday, October 14, from 9 a.m. to 4:30 p.m.** The closure will take place between Sky High Drive and Silver Springs Road. Work may include patch paving, ditch and inlet cleaning, vegetation clearing around signs, and other work to help maintain the safety of the road. Signs will be placed in advance to warn drivers of the road closure. Drivers will be required to take alternate routes between the Town of Moraga and the City of Lafayette. We apologize for any inconvenience, but we're trying to keep our streets in the best condition possible.
