General Program Information

After School Awesome (ASA) is managed and operated by the City of Lafayette. Our trained staff has a wealth of experience working with children and truly cares about providing the best care and safety possible. After School Awesome follows the Lafayette School District Calendar and is open on all school days. Please find the Lafayette School District Calendar here:

<https://www.lafsd.k12.ca.us/Calendar>.

The program provides various activities for transitional kindergarten to 5th grade students and is open from school dismissal until either 4:30pm or 6:00pm. After School Awesome features free play, sports, hikes, arts & crafts, science, homework help, and various other enrichment opportunities. Each day is different at After School Awesome, but each day kids will be safe and HAVE FUN!

The program is located at the Lafayette Community Center (500 St. Mary's Road) in the Cedar Room. The Lafayette Community Center features a playground, kindergym, rink sports court, bocce ball area, trails, and rooms galore that After School Awesome will use each week.

We look forward to having an AWESOME school year with you!

Changes in schedule are accommodated monthly.**

Upon acceptance to the program, parents will need to complete the enrollment process.

To enroll, please call or stop by the Lafayette Community Center office. Payment for August (or the first month attending) will be due at registration.

2020/21 Registration Schedule*:

March 2nd – Registration Open for current ASA families

April 6th – Registration Open to All

April 6th – July 31st – Families will be notified of their status as applications are received and processed (typically 5-7 business days).

*Accepted families have one registration for the whole year and are able to make changes to their schedule monthly.

Bathroom Req. & Accessibility

Children attending the program must be potty trained and able to use the restroom without help. Staff cannot change diapers or help them in the restroom. The program does not have the resources to provide 1-on-1 supervision with a child at all times. The program does its best to accommodate those with a disability, but typically a more specialized program, with trained staff for those needs, is a better fit in those situations. An assigned aid provided by the family can make it a better experience. The program gladly welcomes all children to apply for After School Awesome.

Transportation

Students enrolled in After School Awesome will need to either purchase a bus pass from the Lamorinda School Bus program or find alternate transportation to the Lafayette Community Center.

Currently the Burton Valley Elementary (BVE) School busses are the only busses that stop at the Lafayette Community Center. There will be a bus for all release times on all school days. Kindergarten dismissal busses will be waiting in the lot by the Kindergarten class rooms and 1st -5th dismissal busses will be located by the BVE school office.

Students utilizing the school bus for transportation will be greeted by ASA staff upon arriving at the Community Center bus stop and escorted to the Cedar room for After School Awesome

To purchase a bus pass and for more bus specific information, please visit: www.lamorindaschoolbus.org

Students with other forms of transportation should be dropped off by a parent/guardian at the Cedar Room to be checked in.

Parking

The most convenient places to park to pick-up your child is the parking lot adjacent to the playground or the lot by the Jennifer Russel Building. Please park in marked spaces only. Watch for other vehicles when walking in the parking lot and do not leave valuables in your car

Payments/Refunds/Schedule Changes

Once the first payment is made by phone or coming into the Lafayette Community Center office, following payments will be automatically charge to your credit card on file on the first of every month.

Refund requests must be made at least 7 days in advance of the 1st day of the next month or you are responsible to pay the next month's fee.

Schedule changes must be requested before the start of the next month. Schedule changes can be made in the middle of a month depending on circumstances.

Check-Out & Authorized Pick-Ups

After School Enrichment

The Community Center has lots of great programs in addition to After School Awesome. If enrolled in an enrichment class on a day they are enrolled in ASA, staff will give kids a snack and walk them back and forth to any enrichment classes they enroll into. There is no refund or discount for overlapping programs. Please let us know if they are going to a class, so we are aware. If they are attending an enrichment program on a day that they are not enrolled for ASA, Community Center Staff will walk them from the bus to their class, but will not pick them up from the class. Health

If your child is sick and/or contagious, please do not send them to the program for the day and for at least 24 hours after a fever has passed. We'd like to keep all our kids and staff as healthy as possible and prevent the spread of sickness. If a child appears ill or becomes ill during the program, we will contact parents/guardians to pick-up the child from the program as soon as possible. We will make sure they are as comfortable as they can be until you arrive. If a child does not attend school due to illness, they should stay home from ASA.

Snacks and Lunch

We will provide one to two snacks per day depending on the arrival and length of stay of the child. Children **MUST** bring a lunch on days where there is no lunch time at school. We will hand out snack at various times during the day depending on your child's arrival time and departure time. We will not be providing dinner for any children, but they are welcome to bring a larger snack to eat if they are staying late.
