

Information on Stay Home Order, New COVID-19 Call Center

On March 16, 2020, Contra Costa Health Services issued a mandatory [Public Health Order](#) requiring people to stay home except for essential needs. The Order, meant to lessen the spread of the COVID-19 virus, is in effect now through April 7, 2020. Today, they have issued important information concerning the Order, including what residents can and cannot do and which services and stores are open and which are closed. Please read this information carefully: <http://bit.ly/CountyStayHomeInfo-03-17-20>.

In addition, if you have any questions about the COVID-19 coronavirus or the Stay Home Order, the County has set up a call center to provide answers for residents. The call center is operational from 8:00 a.m. to 5:00 p.m. The number to call is 1-844-729-8410.
