# DESIGN REVIEW SUBMITTAL REQUIREMENTS

---

## 19. PUBLIC ART PLANS

(Public art is required for creation or alteration of 5,000 sq. ft. or more with a commercial or MFR zone)

- a. Narrative – provide a written description of proposed art and include answers to the following:
  - i. What type of art is proposed?
  - ii. Where will the art be placed?
  - iii. Will it be incorporated into the building design?
  - iv. Which artists are being considered from the preferred artist list?
  - v. How would the art, at this site, add to the existing collection of public art, the diversity of the collection, and enrich and enhance the City?
- b. Site Plan - show and label the location of proposed art; if more than one option for location or type of art is being considered, label in order of preference.
- c. Elevation – if the art is proposed to be incorporated into the building, show and label the location on the elevations.
- d. Water Feature – if the art proposed is a water feature, show and label:
  - i. Pumps
  - ii. Water level
  - iii. Flow switches
  - iv. Maintenance
- e. Signage:
  - i. An identifying plaque of an approved material (stainless steel, bronze, etc)
  - ii. The plaque should contain, at minimum:
    - a. Title
    - b. Date
    - c. Medium
    - d. Artist
    - e. Dedication, optional
- f. Lighting:
  - i. List and label any proposed lighting to highlight the art piece
  - ii. Provide a legend and indicate style and quantity of each lighting type
