

Project Update

2021 Road Resurfacing Project

Date: 12/17/21

The contractor has now completed the majority of the work on Moraga Road and Reliez Valley Road. Some minor striping and signage work is still required as well as cleaning up the project sites.

City offices will be closed starting December 23rd and will not reopen until January 3rd. During this time our contractor will continue to work on minor items of work on the project. Full closure of Moraga Road in the southbound direction will not be permitted during this time. However, the contractor may block a lane to perform work using two-way traffic control and flaggers on Moraga Road and Reliez Valley Road.
