2021 Wildfire Season – Preparedness & Response

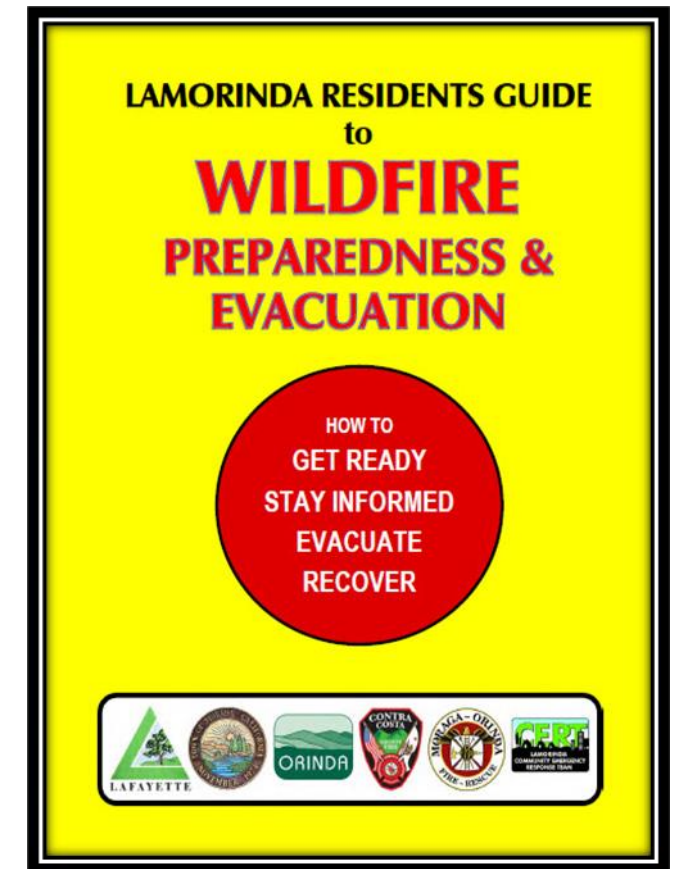

# 3<sup>RD</sup> Quarter 2021

## Wildfire Preparedness & Evacuation Guide

In 2019, we continued the mission of prioritizing Lafayette's emergency plans and preparedness.

The PD and Emergency Preparedness Commission authored and produced the *Lamorinda Resident's Guide to Wildfire Preparedness and Evacuation*.

35,000 copies of the *Guide* were produced. A copy was mailed to every Lamorinda household.

Contra Costa County  
Office of the Sheriff  
Community Warning System

CWS tracks sign ups by household. There are approximately 10,000 households in Lafayette.

In February 2019 we had 2,963 signups.

Lafayette now has over 9,200 signups.

Visit [cwsalerts.com](https://www.cwsalerts.com) to register and learn more!

## ***3<sup>RD</sup> Quarter 2021***

**PSPS** – Lafayette PD has begun the process of installing intersection power taps at eight key intersections during a power outage.

## **3<sup>RD</sup> Quarter 2021**

**Zonehaven** – Zonehaven is a Bay Area technology company and that is working to improve the utilization of evacuation zones in Lamorinda, giving Police and Fire the ability to more effectively evacuate residents during an emergency.

Visit [www.community.zonehaven.com](http://www.community.zonehaven.com) to learn more on this ongoing project and the technologies being provided.

## **3<sup>RD</sup> Quarter 2021**

### **City of Lafayette Emergency Alert AM Radio Station – AM 1670**

The station can provide a range of information for residents, travelers, and the Lamorinda community, the most important of which is emergency information in times of disaster, wildfires, or PG&E power outages.

During non-emergencies, the station carries general city information, including meeting announcements, details on events and programs, and general visitor information about Lafayette.

## ***3<sup>RD</sup> Quarter 2021***

### **FY 2020-2021 Cal OES Community Power Resiliency Allocation to Cities Program.**

Twenty APX 900 P25 Portable Radios for communication with schools and city emergency workers during power outages and emergencies. These radios will allow the City to provide reliable, real-time information, related to the status of the outage or emergency, and available community resources.

Thirty UHF Digital Mobile Radio Bases for reliable, real-time communication with Lamorinda (Lafayette, Moraga, Orinda) School Buses during power outages and emergencies.

## ***3<sup>RD</sup> Quarter 2021***

### **FY 2020-2021 Cal OES Community Power Resiliency Allocation to Cities Program (continued)**

Rooftop Mounted Solar System with Resilient Battery Cell and Propane Generator for continued City Public Works and Emergency Preparedness operations during power outages and emergencies.

44Kw Towable Diesel Generator for continued operations at an emergency site within Lafayette.

## **3<sup>RD</sup> Quarter 2021**

### **ALERTWildfire Cameras**

In November 2019, the Lafayette Police Dept. began working with the ALERTWildfire program to install and maintain a network of cameras across Contra Costa and Alameda counties to be used for the detection, alerting, and monitoring of wildfires.

As of July 2021, Lafayette PD has installed over 40 ALERTWildfire cameras across both counties for fire-fighting operations.

[www.alertwildfire.org](http://www.alertwildfire.org)

Click on the upper left and select “South & East Bay” to view cameras installed in and around the Lamorinda area.
