DOG OBEDIENCE: HOW DOGS LEARN-INTRO TO CLICKER TRAINING

In this fun class, you will be introduced to the concept of clicker training with your dog. Based on solid science, clicker training relies on a learning theory called operant conditioning. For decades, it is the method that has been used to train marine mammals to perform complex behaviors. During the class, we'll explore the theory of operant conditioning and how you can use it to train your dog. Your dog will "learn how to learn" and you will learn how to teach your dog complex tricks and more.

DOG OBEDIENCE: OBEDIENCE FUNDAMENTALS

Are you and your dog getting ready to enter the competitive obedience or rally ring? Or perhaps you have already been in the ring but need some help with specific challenges? Have you and your dog completed Family Dog 1 or CGC Prep class and you want to improve your basic obedience skills? Do you want to spend some time enhancing the bond between you and your dog by working together on common goals? If you answered YES to any of these questions, then this class is for you! During each week of the class, we will spend time practicing three obedience skills: heeling, fronts and finishes. Although basic, these skills are essential for both obedience and rally success. We'll trouble shoot any issues you may have and explore several different ways of addressing specific challenges. **Skip 4/26**

Lamorinda Spirit—A Little History and a Lot of Progress

For Lamorinda Adults, Age 60+

On June 19, 2006, the Lamorinda Spirit Van Senior Transportation Program gave its first ride to two Chateau Lafayette older adults going to the C.C. Café now known as Café Costa. We have grown over the years, adding rides to grocery shopping, medical appointments, and errands when we gained our first volunteer drivers. After receiving a bequest from an appreciative passenger, we began subsidizing GoGoGrandparent Uber and Lyft rides for Lafayette residents, age 70+ in order to make it possible for Lafayette older adults to get out and about 24/7.

Our latest venture as we strive to help Lafayette become an Age-Friendly City is to provide a Lafayette Shopping Shuttle to drive a circuit up and down Mt. Diablo Blvd. taking people of all ages from store/business/restaurant to store/business/restaurant. The intent is to make it easier for people to frequent Lafayette's downtown businesses while reducing traffic and parking congestion. Our search for a staff driver to pilot a weekly Shopping Shuttle from 10 am to 2 pm began in December 2021. As this additional service is increasingly used, we will be able to expand to 2+ days a week.

If you are 60+, call 925-283-3534 or email dispatch@lovelafayette.org to schedule a ride to lunch in a social setting at Café Costa, or to go shopping, to an appointment or errand. If you have a free morning or afternoon, are 25+, and have a good driving record, call 925-284-5546 to find out about becoming a volunteer driver.
