

Lafayette's Environmental Task Force presents:

Building Electrification Webinar

Learn how new and existing buildings can help solve the climate crisis. Learn how you can get involved too!

Earth Day

Friday April 22, 2022 @ 12 noon - 1:00 pm

Zoom link: tinyurl.com/bdhmsds4

Can't attend the webinar? We'd still love to hear from you via a brief online survey. Visit www.lovelafayette.org/ebuildings for more information.
