

SLOW DOWN LAFAYETTE

SAFER STREETS FOR ALL

Safe Roads

Traffic Engineers and Public Works improving road safety

Safe Speeds

Police using crash data and public education to make roads safer

Safe Road Users

Users slowing down, increasing time and distance from others

Serious Traffic Accidents are Preventable

Our Slow Down Lafayette Program is part of Vision Zero and aims to reduce speeds and increase driver awareness, improving traffic safety

We are all in this together - we need everyone's participation

Our Solution

Data Analysis

Using collision, traffic volume, and speed data to identify areas for speed reduction and further education

Speed Awareness

Providing real-time speed display signs to slow traffic and improve safety

Education

Providing information on how to be a safer driver, pedestrian, and bicyclist on our roads
