

NOTICE TO CONTRACTORS

Sealed proposals will be accepted at the office of the City Clerk, 3675 Mt. Diablo Boulevard, Suite 210, Lafayette, California until 2:00 P.M., Tuesday, June 11th, 2024, at which time they will be publicly opened and read, for: Construction of **2024 Storm Drain Project, Project No. 014-9744**, including, but not limited to: mobilization; traffic control and construction signage; clearing and grubbing including tree and vegetation trimming; removal and replacement of fence and gate; removal of a 36" concrete storm drain pipe and 24" storm drain pipe; removal of existing concrete splash pad, Sakcrete wall, and existing concrete collar; installing a new 24" HDPE storm drain pipe with filter fabric and backfilling with drain rock; connecting pipe fittings; slip lining existing concrete pipe with a 24" HDPE pipe; installing concrete slurry in the annular space between the slip lined and existing concrete pipe; installing rock slope protection; installing concrete collars; and all other miscellaneous work as shown on the Plans and as described in the Specifications to provide a complete project.

The Engineer's cost estimate is \$74,000.

An electronic link to the contract documents, including the Plans and Specifications, may be obtained free of charge through the City of Lafayette Engineering Services Division by contacting the Engineering Assistant at tkain@lovelafayette.org or (925) 284-1951.

This project shall be constructed in accordance with the March 2013 edition of the City of Lafayette Standard Specifications, available free of charge on the City's website or for purchase through the City of Lafayette Engineering Services Division. The cost of the Standard Specifications is \$20 per set; the cost of mailing is an additional \$8.

Bids shall be submitted in a sealed envelope titled "**Proposal: 2024 Storm Drain Project, Project No. 014-9744**".

The Contractor shall possess a Class "A" license at the time this contract is awarded.

Bidder's attention is directed to requirements in Sections 2 and 3 of the Standard Specifications General Provisions. All bids shall be accompanied by a cashier's or certified check, or a bidder's bond executed by a corporate surety insurer. The bidder's guarantee shall be in the amount equal to at least ten (10) percent of the total bid and shall be made payable to the City of Lafayette. The successful bidder shall furnish a payment bond and a performance bond.

The City reserves the right to waive any informalities or to reject any or all bids.

The City Council has ascertained the General Prevailing Rates of Wages applicable to this work, and these rates are on file in the office of the City of Lafayette Engineering Services Division.

Time of completion allowed for this project will be twenty five **(25) working days**. Bidder's attention is directed to the schedule stated in Section SP-8 of the Special Provisions.

Questions regarding the project plans or specifications may be directed to Tim Clark, City Engineering Office, (925) 299-3245.

The plan holders list, as well as the City Standard Specifications, the Project Special Provisions and the General Prevailing Rates of Wages applicable to this work may be downloaded free of charge from the City of Lafayette web site at <http://www.ci.lafayette.ca.us> (click on *Public Works and Construction* under the Quick Links sidebar on the homepage, then *City Construction Projects*; **2024 Storm Drain Project** is accessible under *Projects Bidding*). Or you may contact the Engineering Assistant at (925) 284-1951.
