

CITY OF LAFAYETTE

ART EXHIBIT POLICY FOR THE TOWN HALL THEATRE

Introduction

The City of Lafayette (“City”) and its Public Art Committee (“Committee”) extend an invitation to artists to exhibit their work at the Town Hall Theatre (“THT”). This Art Exhibit Policy is intended to provide guidelines for potential exhibitors and the Committee, and describe the exhibit space, selection process, exhibition procedures, and liability requirements.

For the purposes of this Policy, “exhibitor(s)” means an artist or artists, and “local exhibitor(s)” means exhibitors from the greater Bay Area - Alameda, Contra Costa, San Francisco, Santa Clara, Solano, Sonoma, Marin, San Mateo, and Napa Counties.

Mission Statement

The Mission of the Art Exhibit Policy for the THT is to promote a rich, diverse, and stimulating cultural environment in order to enrich the lives of the City’s residents, visitors and employees. The Committee is committed to acquiring works of art for the THT of the highest aesthetic standards reflective of diverse social and cultural perspectives for the public benefit.

Exhibit Space

The public art exhibit space at the THT is located in the Lobby Gallery (“Gallery”). The space consists of approximately 20 square feet of wall hanging space (the “Designated Space”).

The Gallery is open to the public when there are public events occurring in the Town Hall Theatre.

Application and Selection Process

Exhibitors interested in displaying artwork in the Gallery must submit a complete THT Gallery Exhibition Application and executed Art Gallery Release to the City.

The Committee will meet to review submitted applications. Scheduling priority will be given to local exhibitors and exhibitors who have not had an exhibit on display at the Gallery within the past two years. Criteria to be used when considering applications will include, but not be limited to the following:

- ♦ Adherence to this Policy’s Mission Statement.
- ♦ Context of artwork: Works of art must be compatible in scale, material, form, and content with the Gallery.
- ♦ Durability of artwork: Consideration will be given to the structural and surface soundness and to inherent resistance to theft, vandalism, and weathering.
- ♦ Public safety and accessibility: Each work will be evaluated to ensure that it does not present a hazard to public safety and complies with all applicable building codes and accessibility requirements.
- ♦ Diversity: The Committee is committed to acquiring art works that reflect diversity in style, scale, media, and artistic sources as well as diverse cultural communities and perspectives.
- ♦ Duplication: To assure that the artwork will not be duplicated, the artist will be asked to warrant that the work is original.

In deciding the suitability of any work, the Committee is particularly mindful that the THT is used by all segments of the community and all age groups. Exhibits may not include obscene or pornographic materials. The Gallery will not be used for advertising a commercial enterprise or promoting political candidates. The views in the artwork exhibited are those of the artists and not those of the City, Committee, or the Town Hall Theatre. The City Manager reserves final approval over any recommendation of the Committee.

Exhibition Procedures: Installation and Removal

The City will notify applicants after the Committee has considered their applications. Those exhibitors that are selected will coordinate the installation and removal of the exhibit with the City at the City's direction. The Committee may combine more than one exhibitor into one exhibit in its discretion.

All artwork must be suitably framed and equipped with hanging apparatus (screw eyes and wire) that will enable the artwork to be installed on the Gallery's picture rail hanging system. Work that is fragile in nature or whose framing or display arrangement is of questionable durability may be rejected. Absolutely no nails, hooks, and/or mounting tape will be allowed to install any exhibit at the Gallery.

Exhibitors are requested to include a brief artist biography and artist statement that may be displayed by the City in connection with the exhibit.

The exhibitor is responsible for the installation, maintenance and removal of the exhibit as scheduled with the City. The exhibitor assumes total responsibility for the transportation of all artwork to and from the Gallery on the dates coordinated for the installation and removal of the exhibit with the City. Additionally, the exhibitor will remove any damaged artwork, or artwork that the City otherwise directs the exhibitor to remove prior the termination of the exhibit within three days of the City's written notification to the exhibitor to remove such material. The City will not be responsible for storing any artwork exhibited at the THT at any time or for any reason. The City may dispose of any exhibit material that the exhibitor has not retrieved from the City within 10 days of the City's written notification to exhibitor to remove such material.

Exhibitors are encouraged to promote their artwork. The City may announce the exhibit on its website and/or through other means to inform the community. The City will be permitted to photograph any work accepted in the exhibition, and to reproduce those photographs in any medium for publicity or other City purposes. The City may also authorize any third party to photograph any work accepted in the exhibition, and to reproduce those photographs in any medium for non-commercial purposes. All materials prepared by exhibitor to promote the exhibit must be approved by the City.

Works of art may be offered for sale, with prices established by the artist. Prices will not be displayed on individual works. Neither the City nor THT will serve as sales agent for any exhibitor, but will provide interested persons with contact information upon request. An email address and website information may be included on the Artist Bio. The exhibitor is responsible for conducting the sale of any work directly with the purchaser. Works sold must remain on exhibit throughout the designated exhibit period, and the exhibitor will remain responsible and liable for removal of all such sold works at the termination of the exhibit.

Liability

The exhibitor must submit a completed Art Gallery Release at the time he/she submits an application that unconditionally releases the City, Committee, and THT from any liability in connection with or arising out of the exhibit. All artwork displayed in the Gallery will be displayed at the exhibitor's own risk; the City, Committee, and THT do not accept responsibility for, and will not be liable for any damage, destruction, loss or theft to any artwork in connection with or arising out of the exhibitor's use of the Gallery, regardless of the cause of such damage, destruction, loss or theft as more fully described in the Art Gallery Release. The exhibitor will defend, indemnify, and hold harmless the City, Committee, and THT from any and all losses, claims, or liability in connection with or arising out of the exhibitor's use of the Gallery.

The Gallery will be left in the same condition as it existed when the exhibit was installed, as determined by the City in its reasonable discretion, and exhibitor will be responsible for making any repairs to the Gallery that the City determines are necessary as a result of the exhibitor's use of the Gallery. Exhibitors using the Gallery assume liability for any and all damages to the Gallery resulting from said usage, as assessed by the City.
